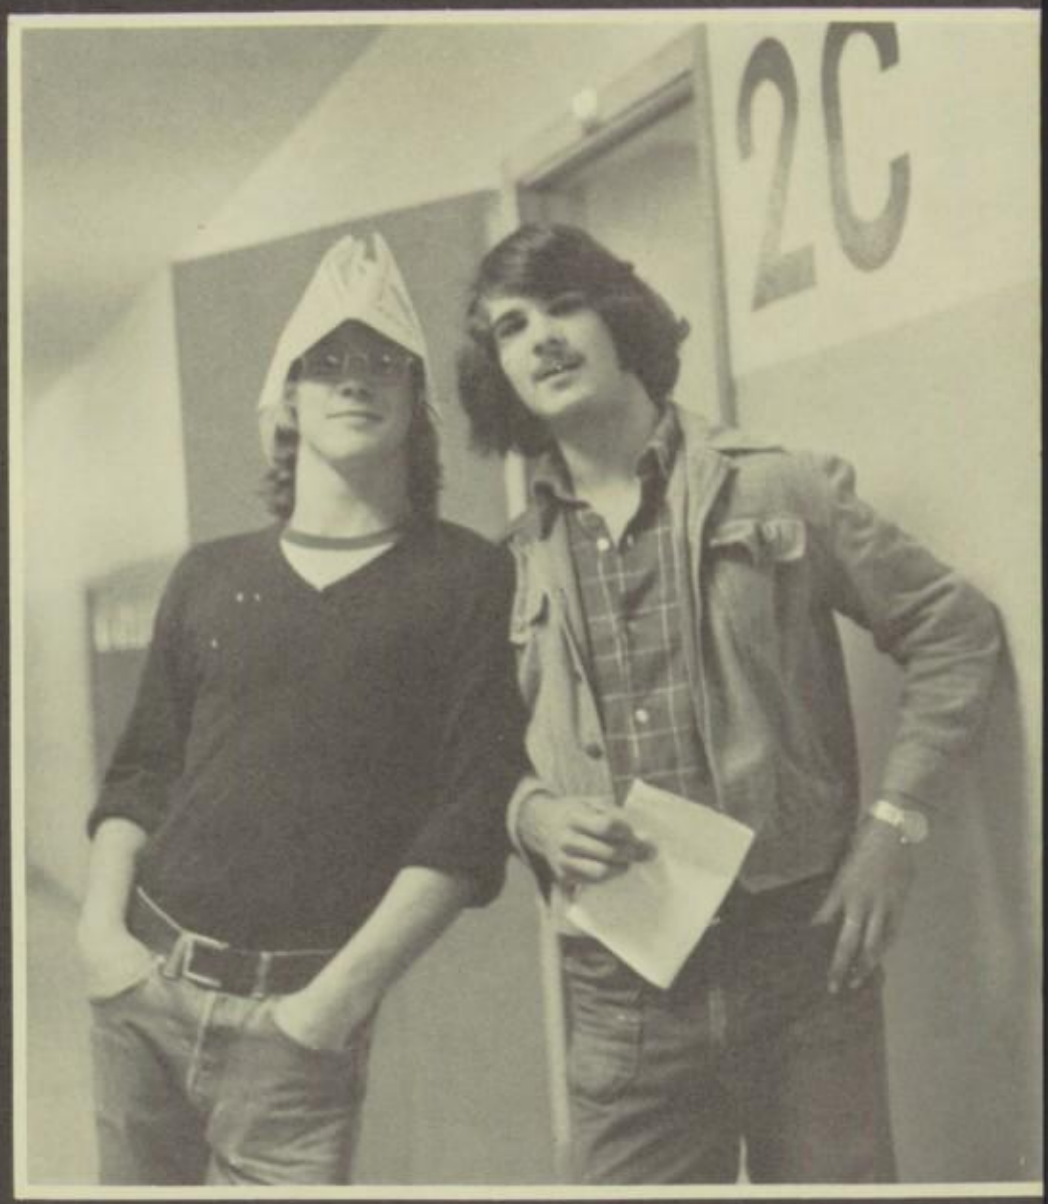
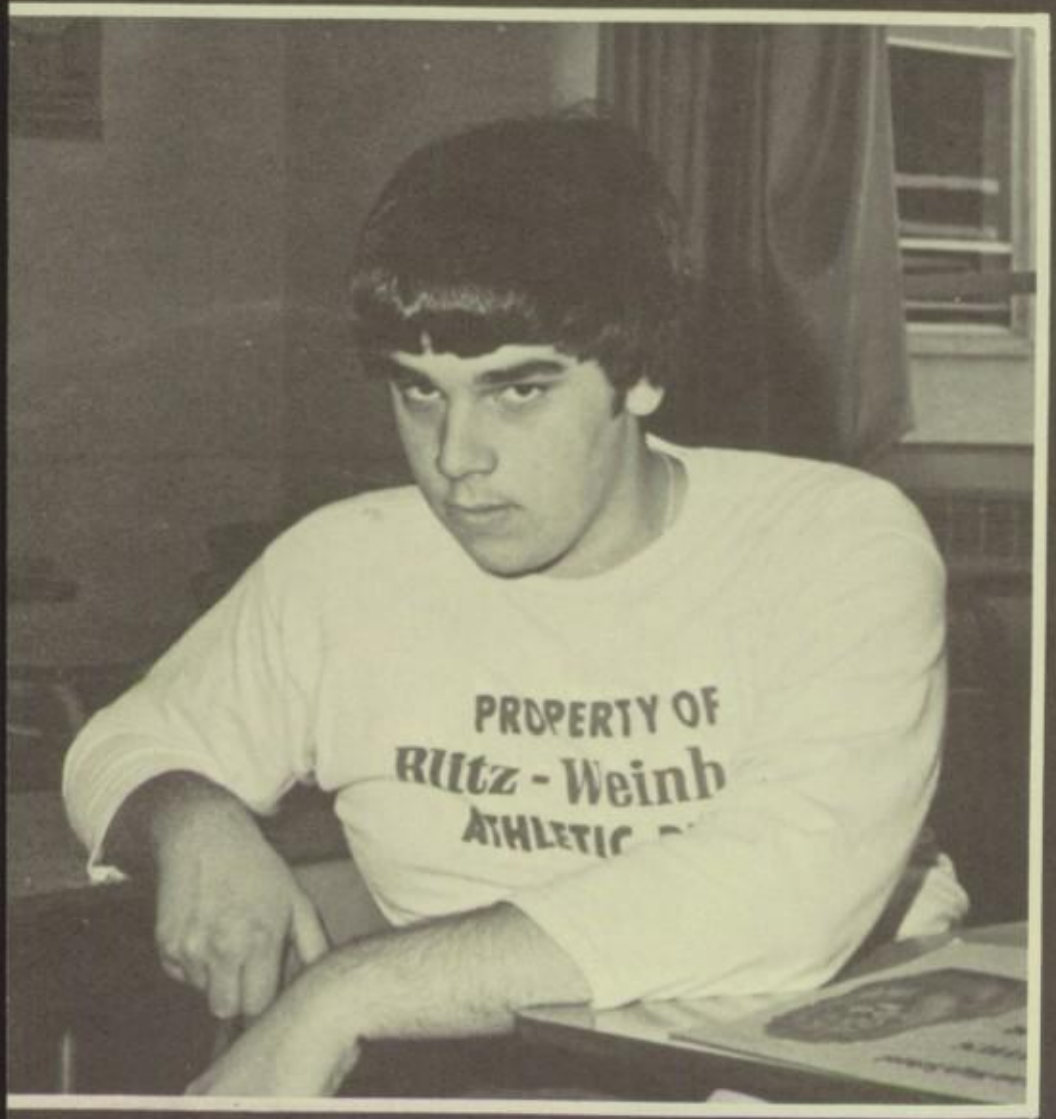
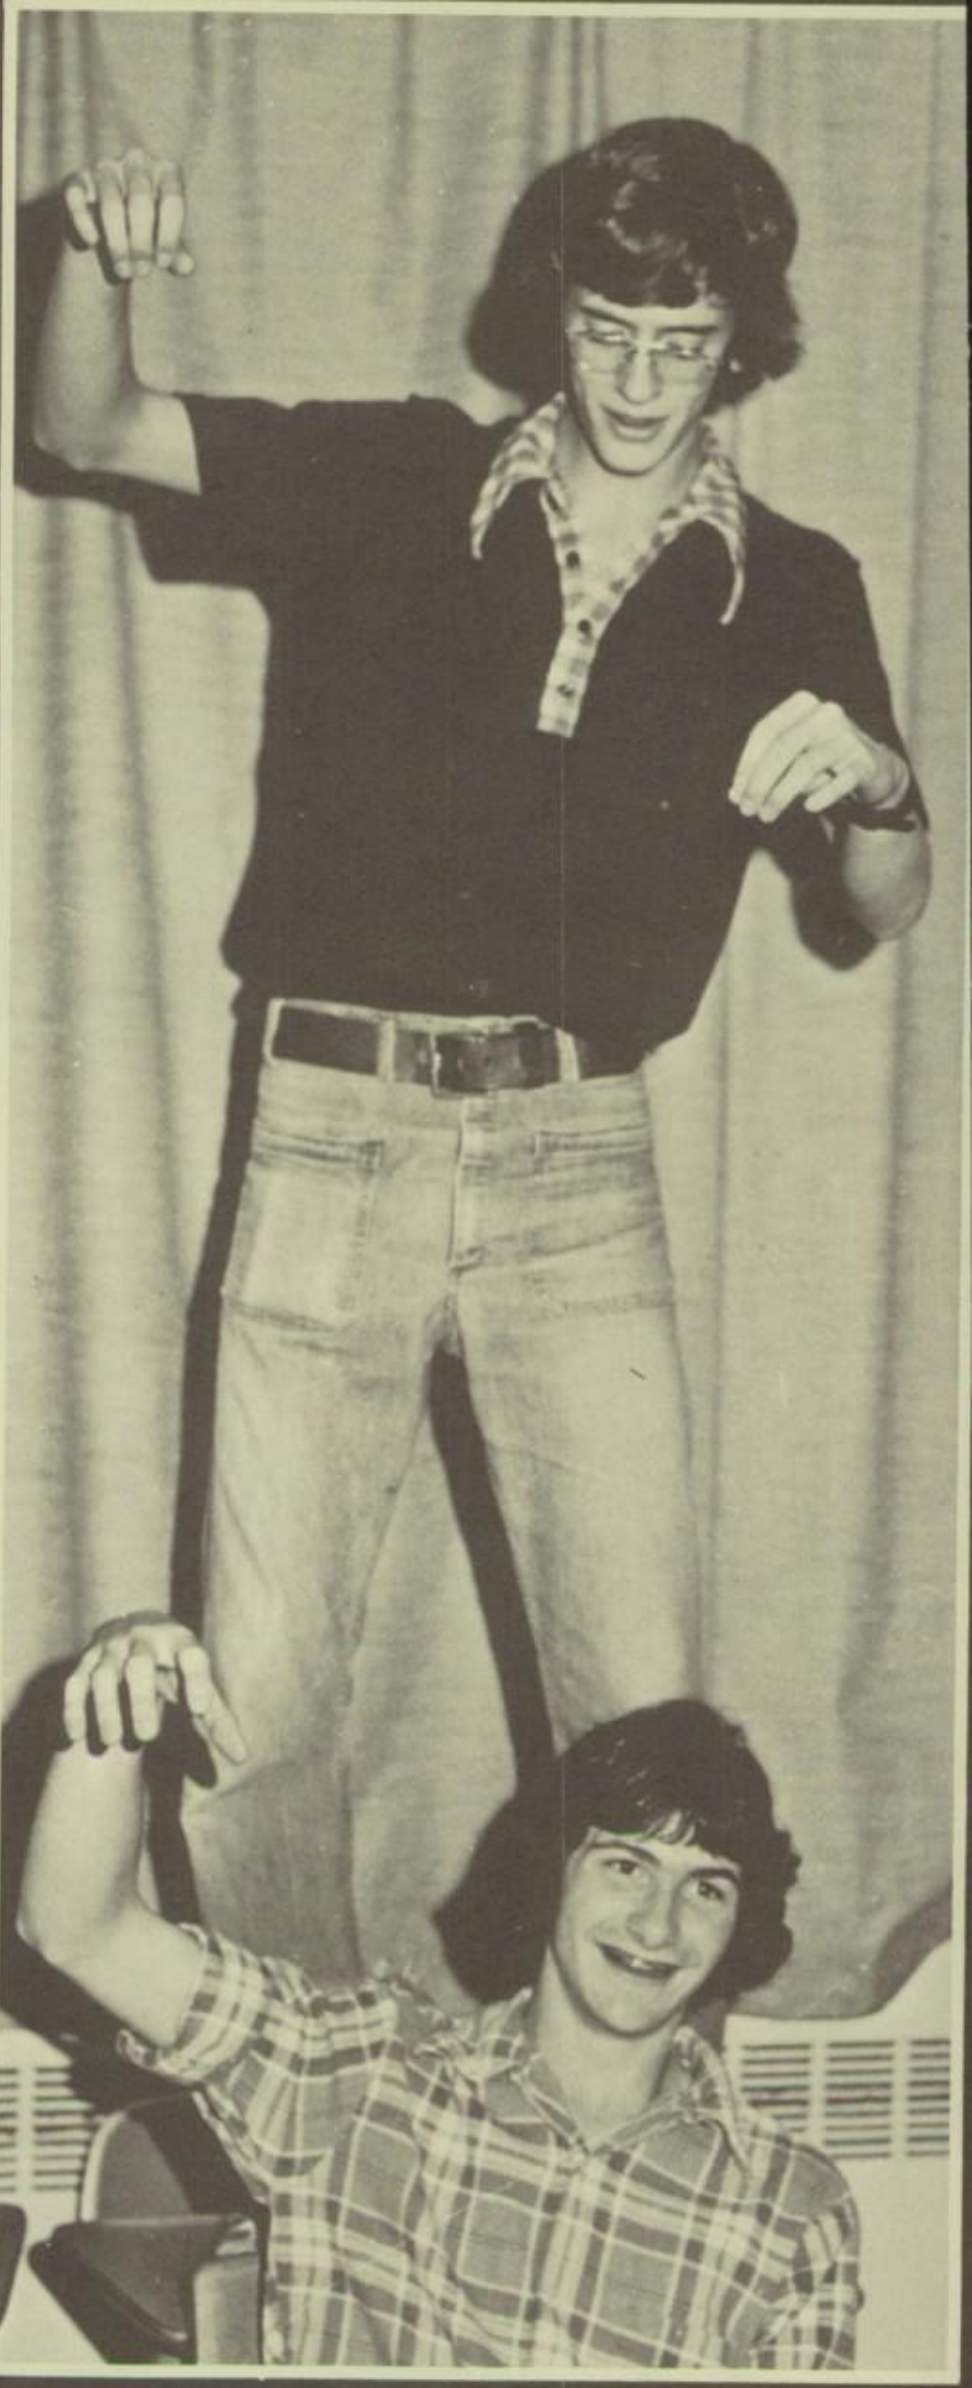
Go placidly amid the noise and haste, and remember what peace there may be in silence.
As far as possible without surrender be on good terms with all persons.

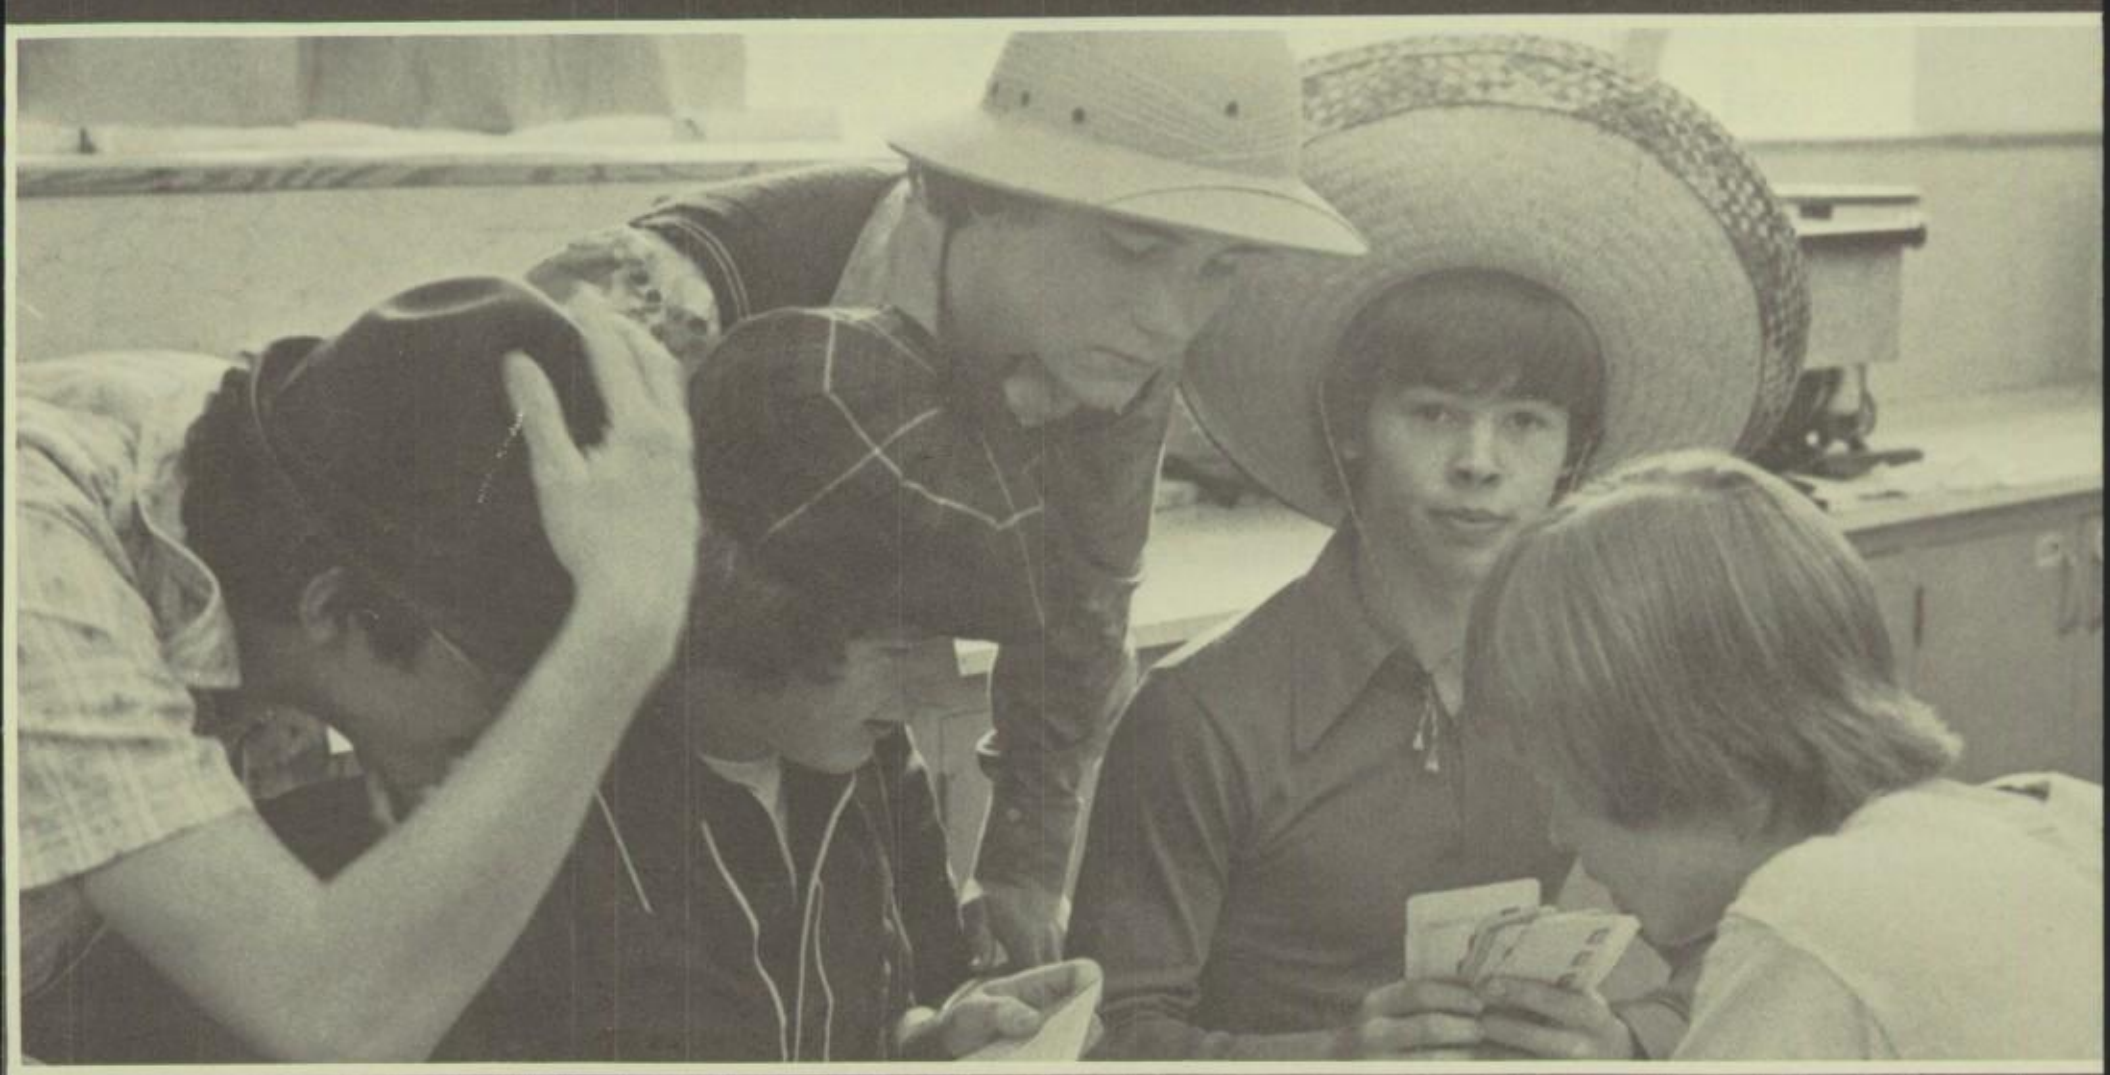


Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story

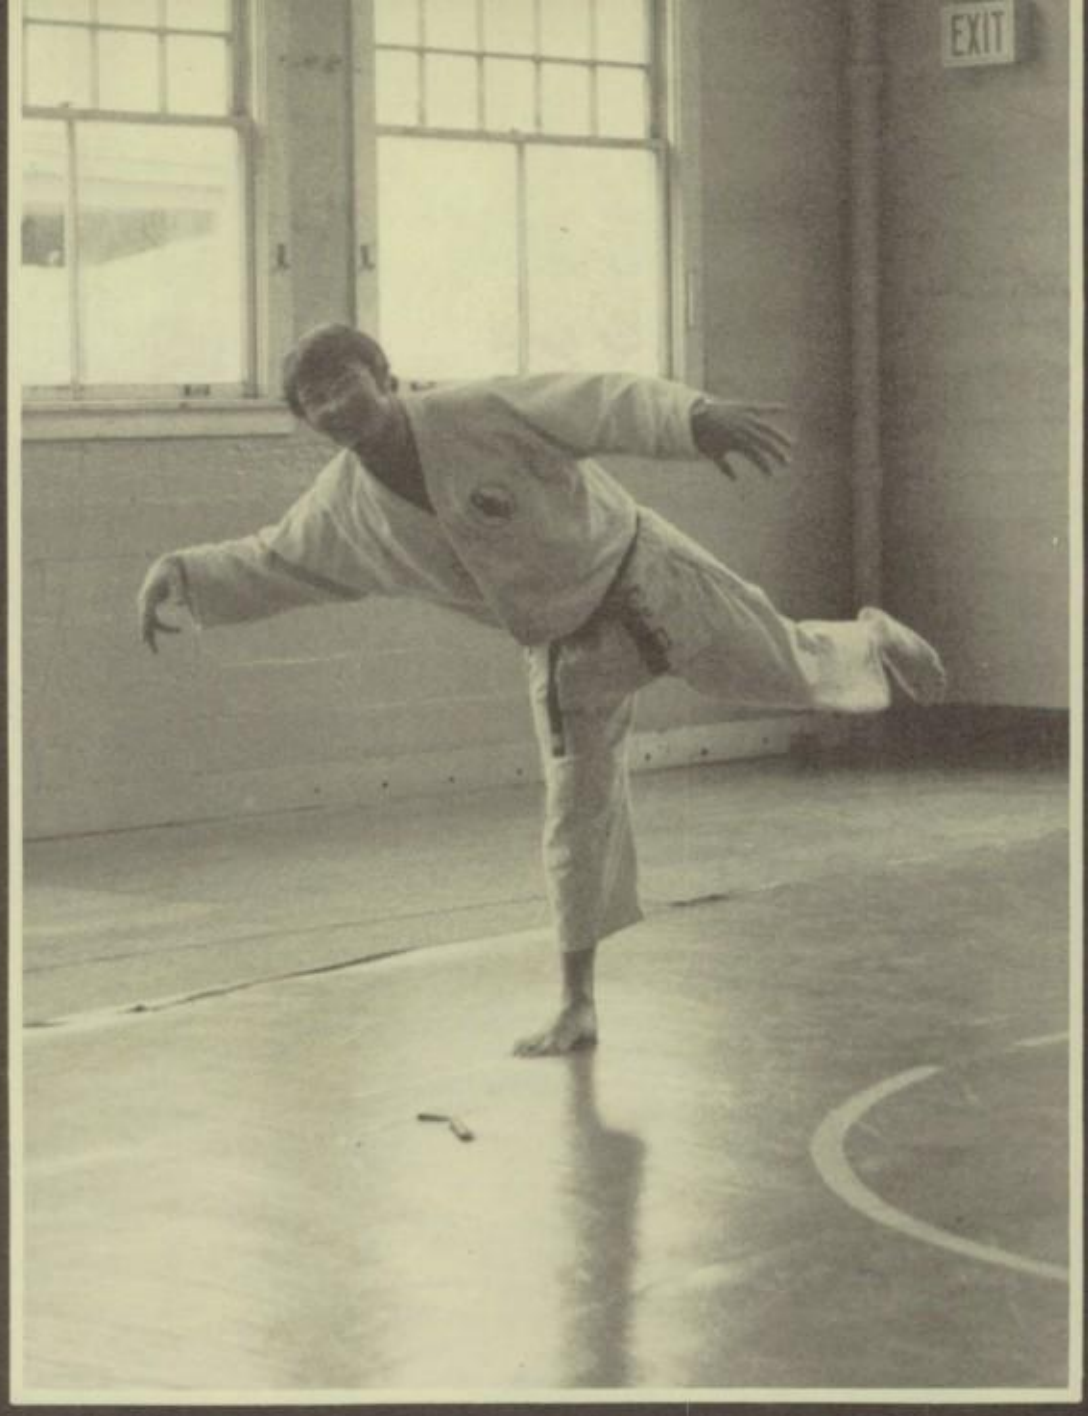


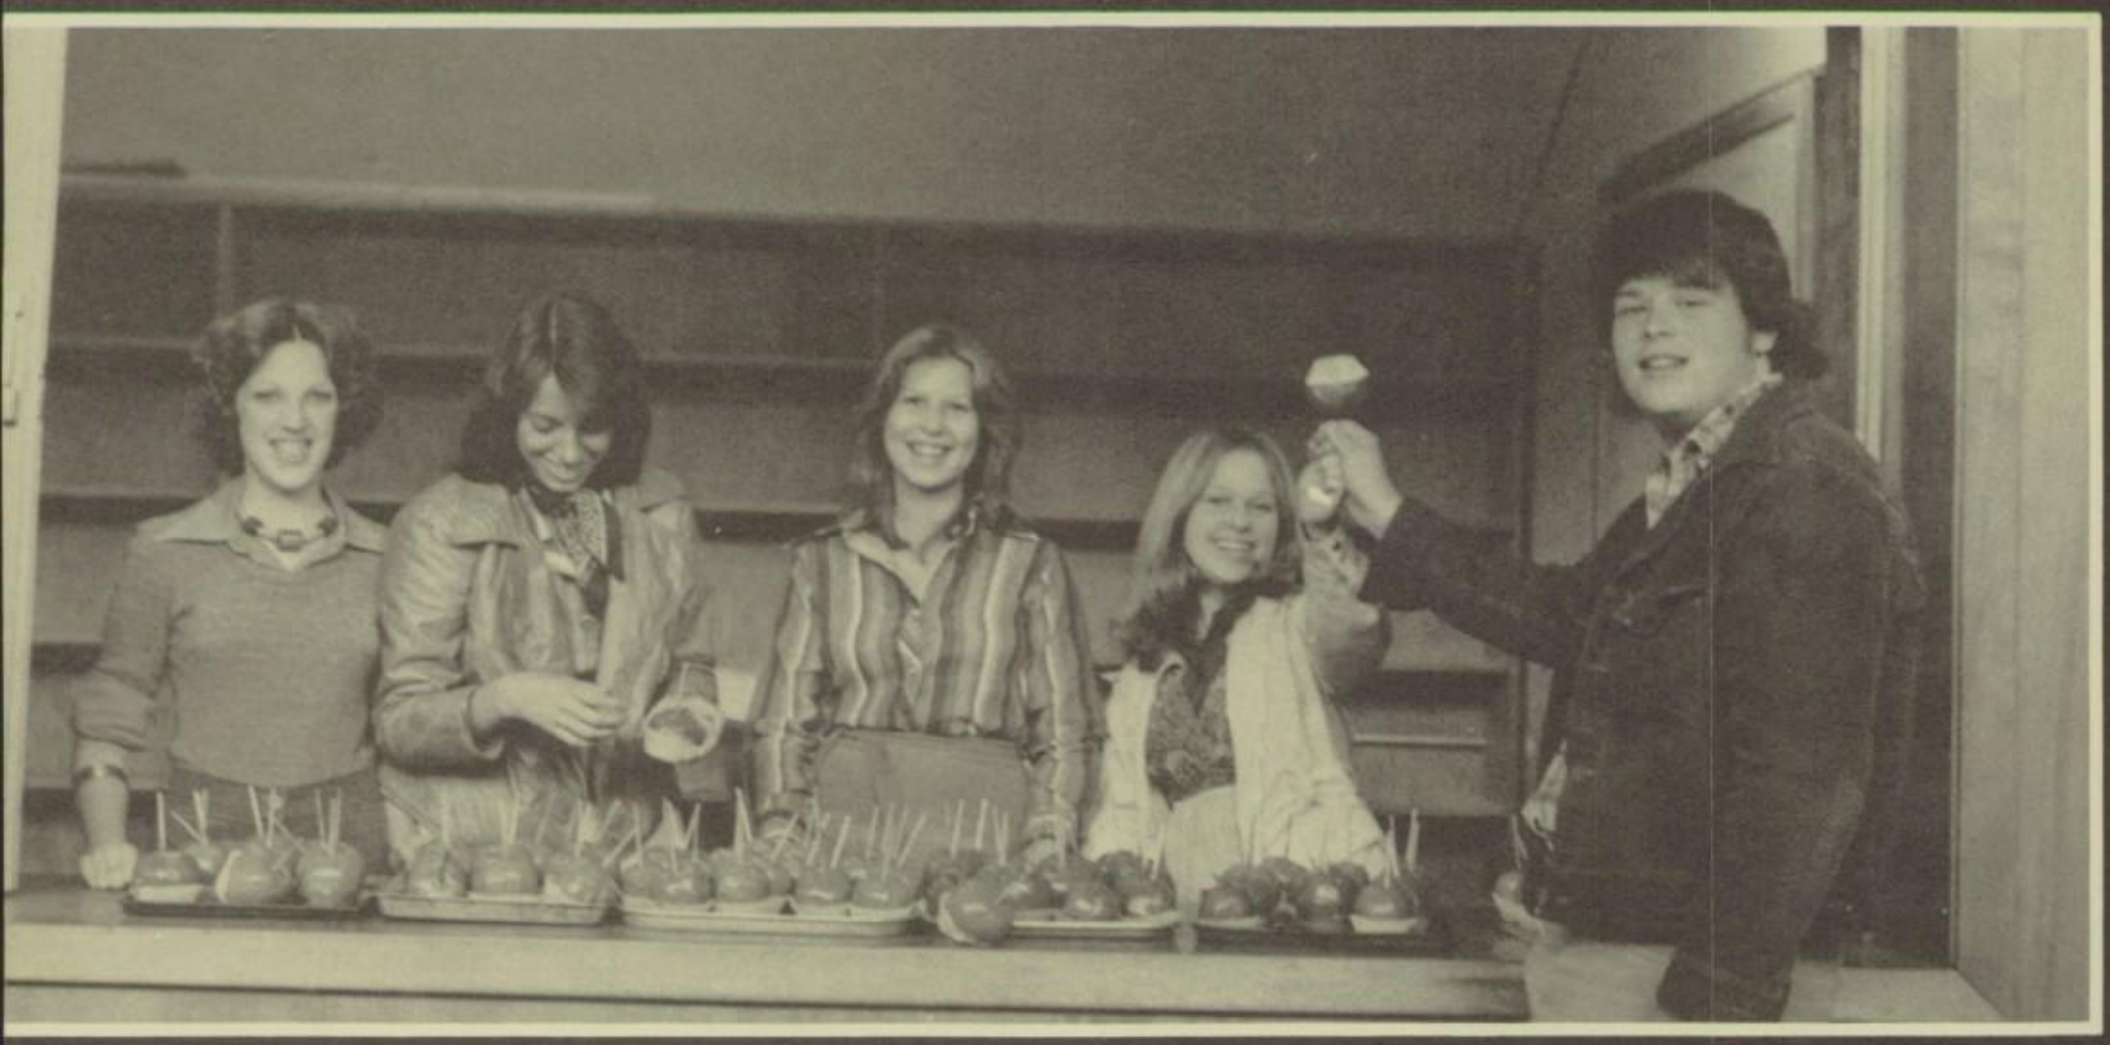


Avoid loud and aggressive persons; they are vexations to the spirit.
If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself.

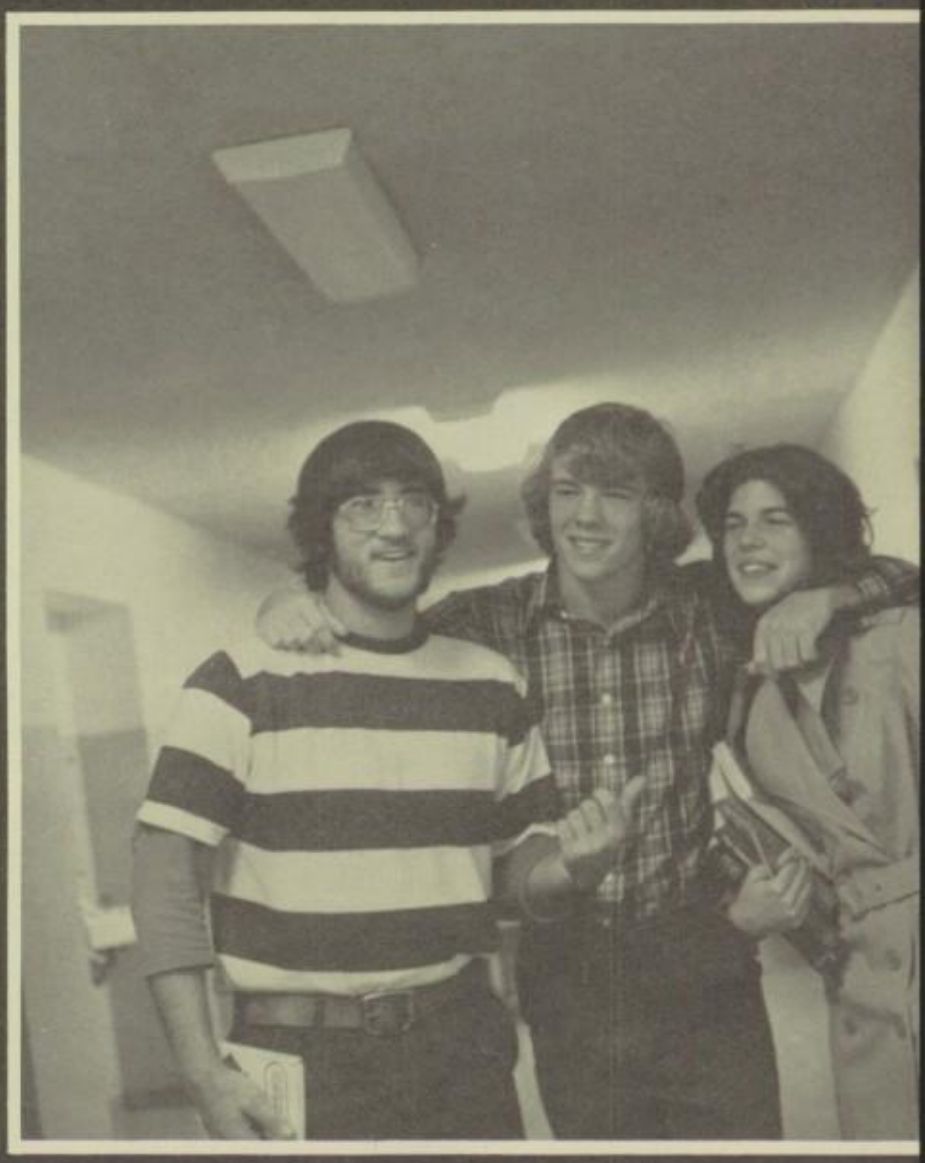


Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time.





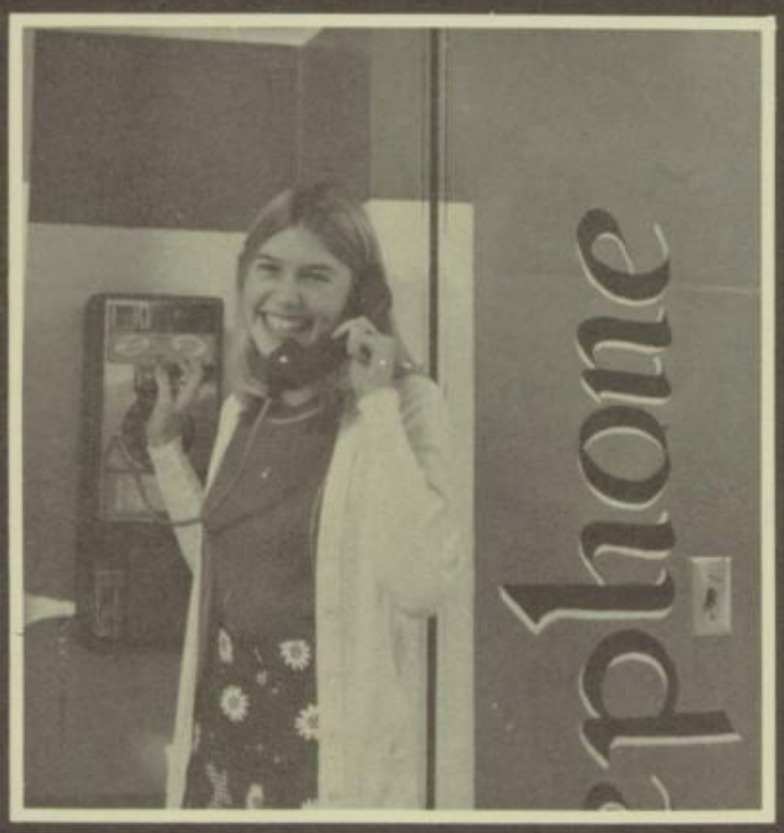
Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is;

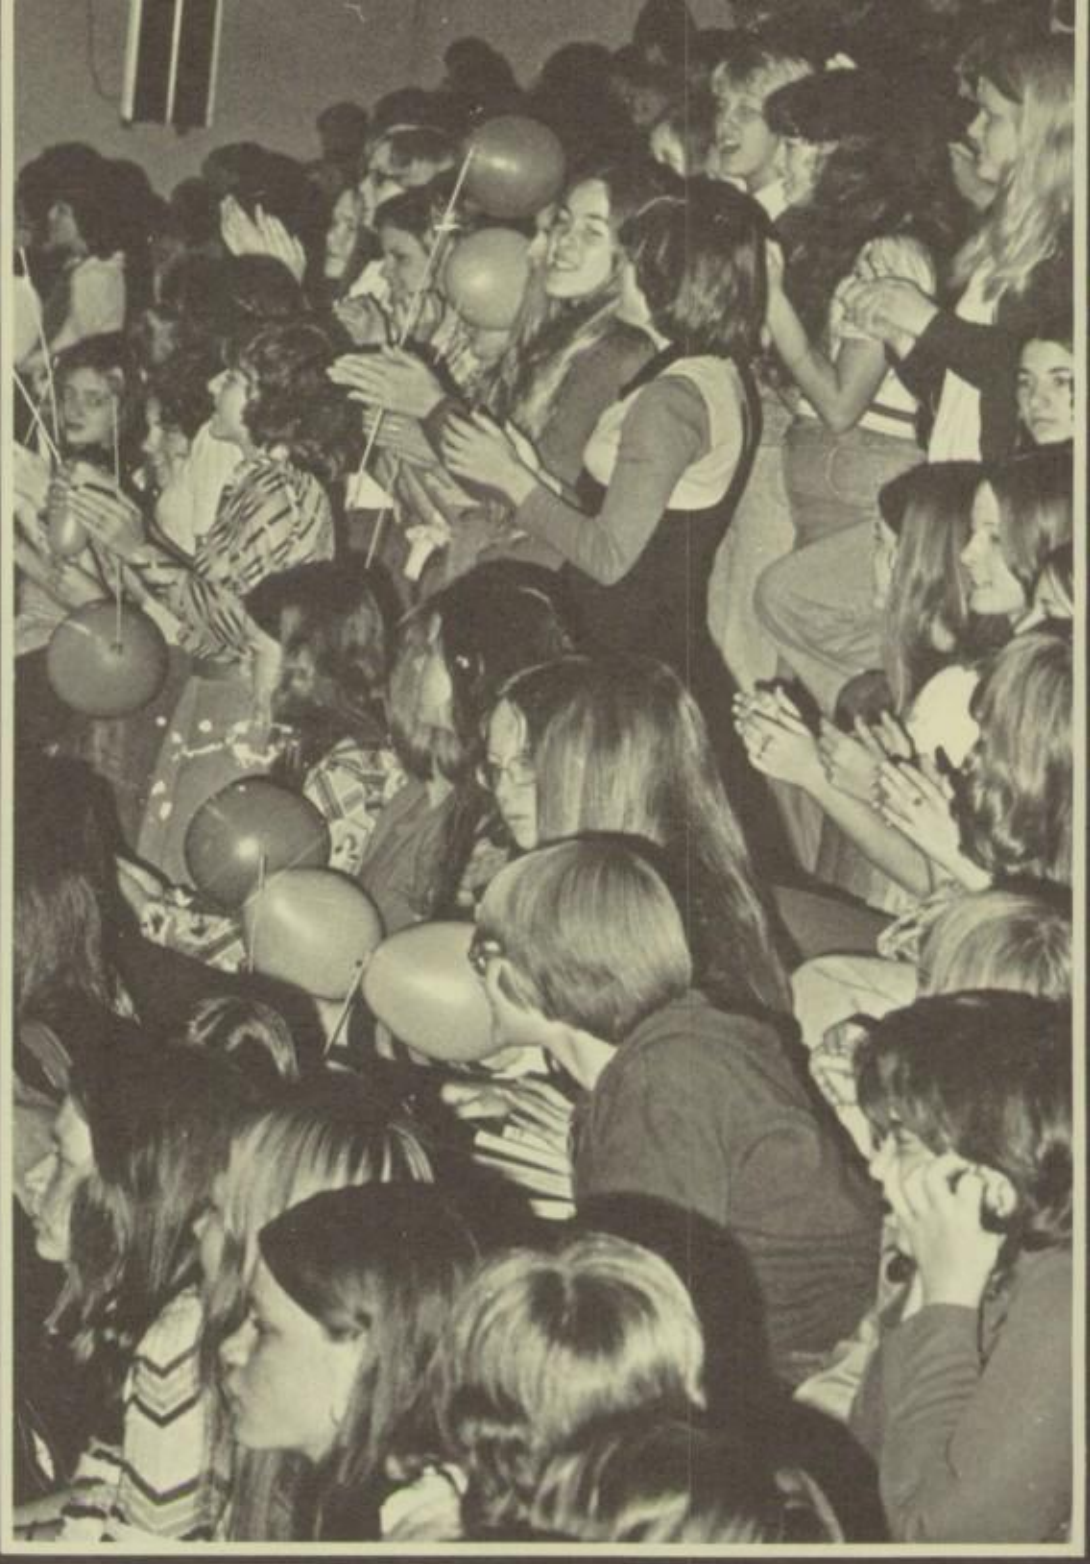


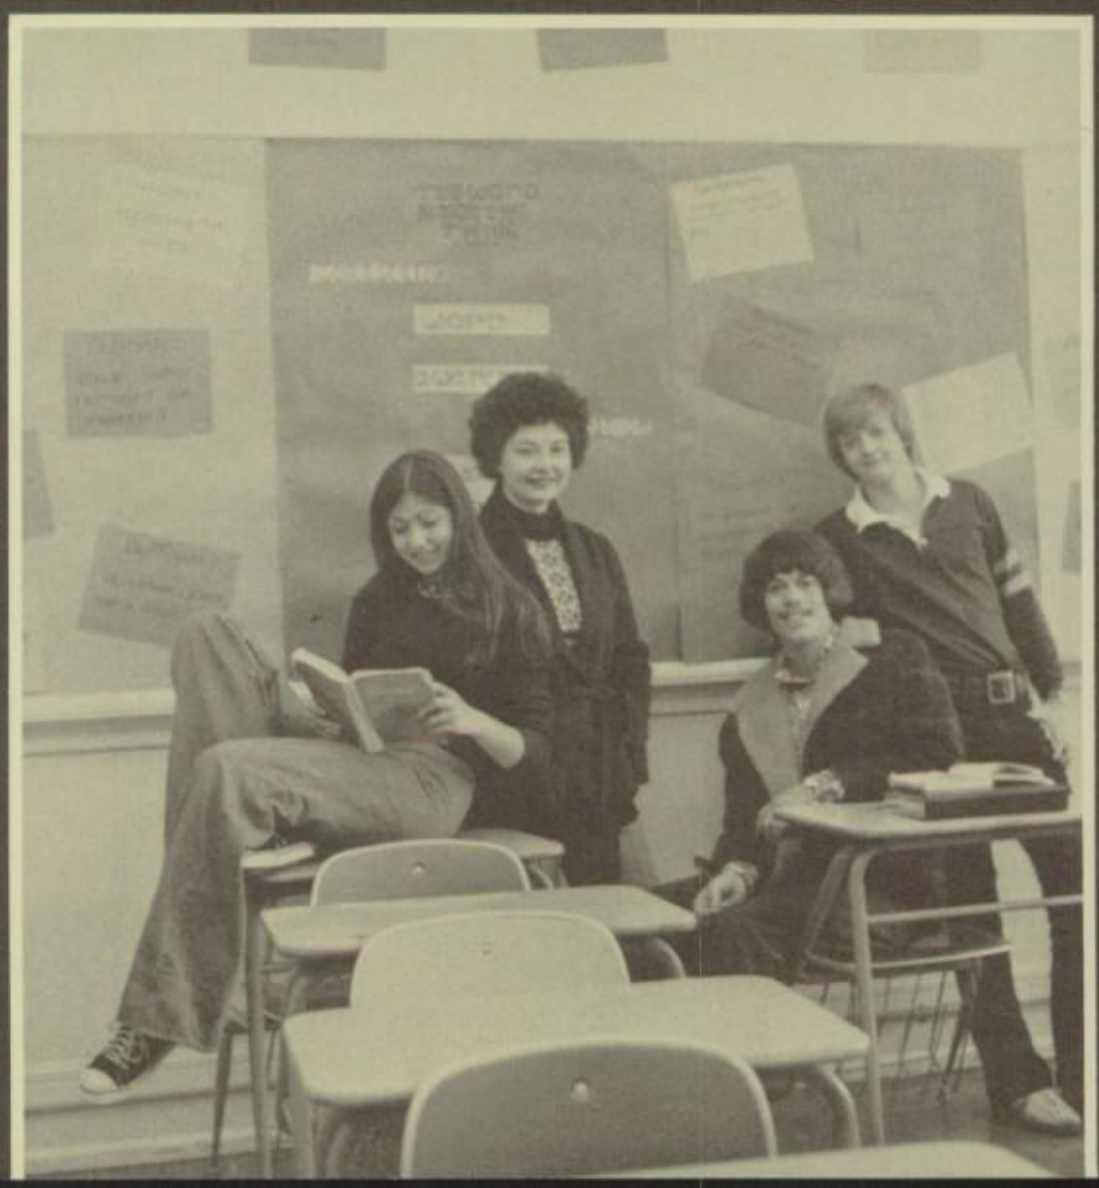
Many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love;

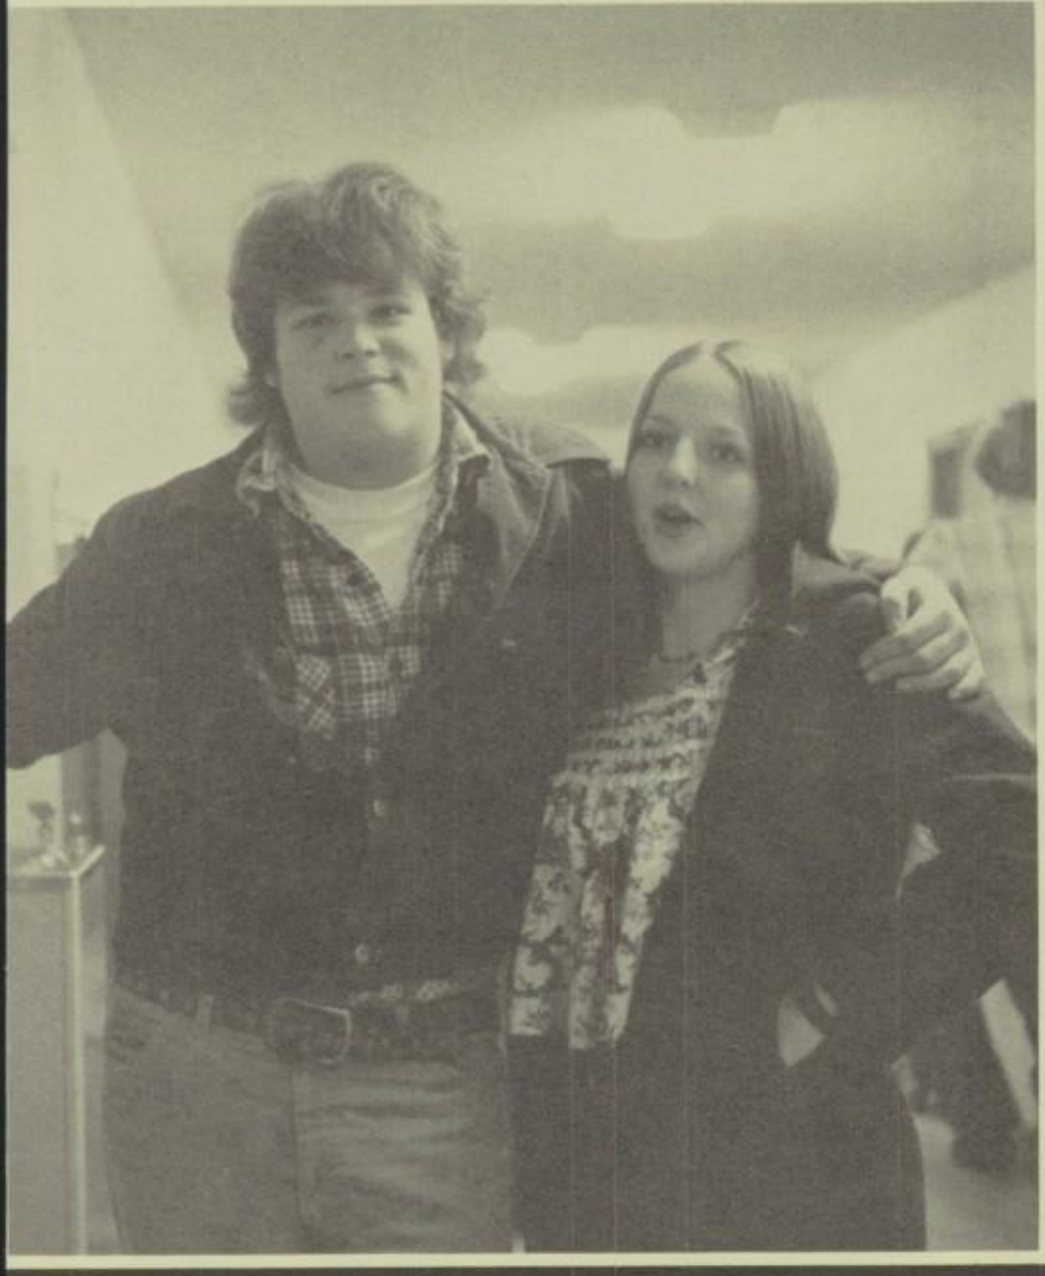
for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth.

Nurture strength of
spirit to shield you
in sudden misfortune





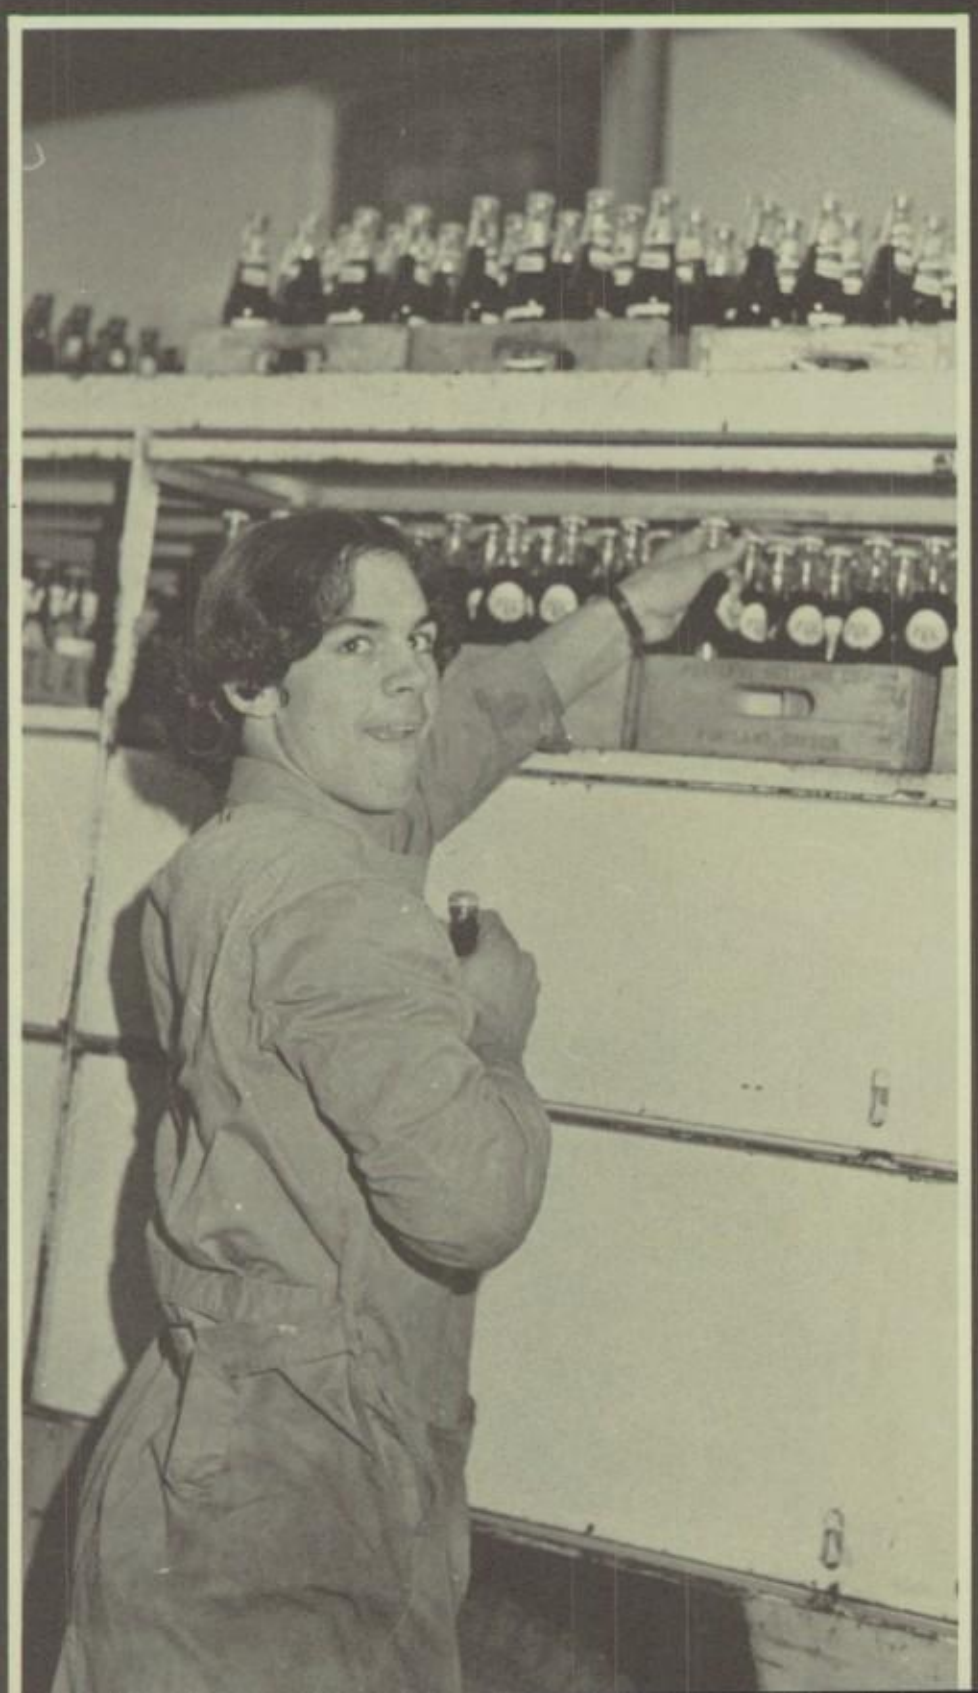


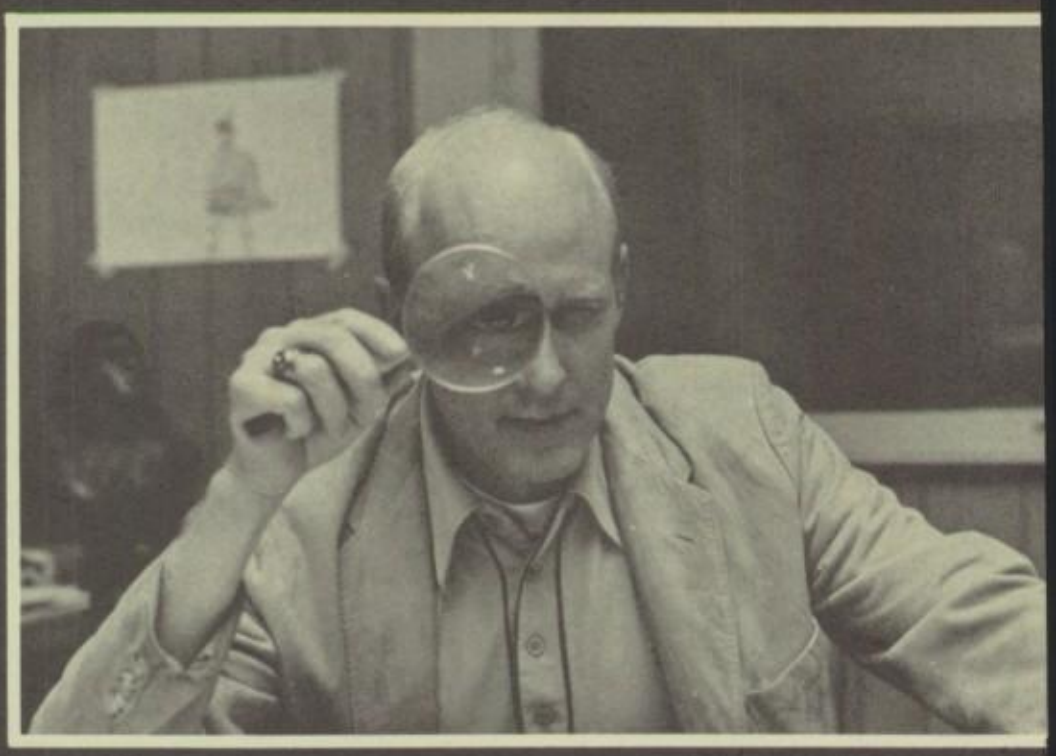


But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself.

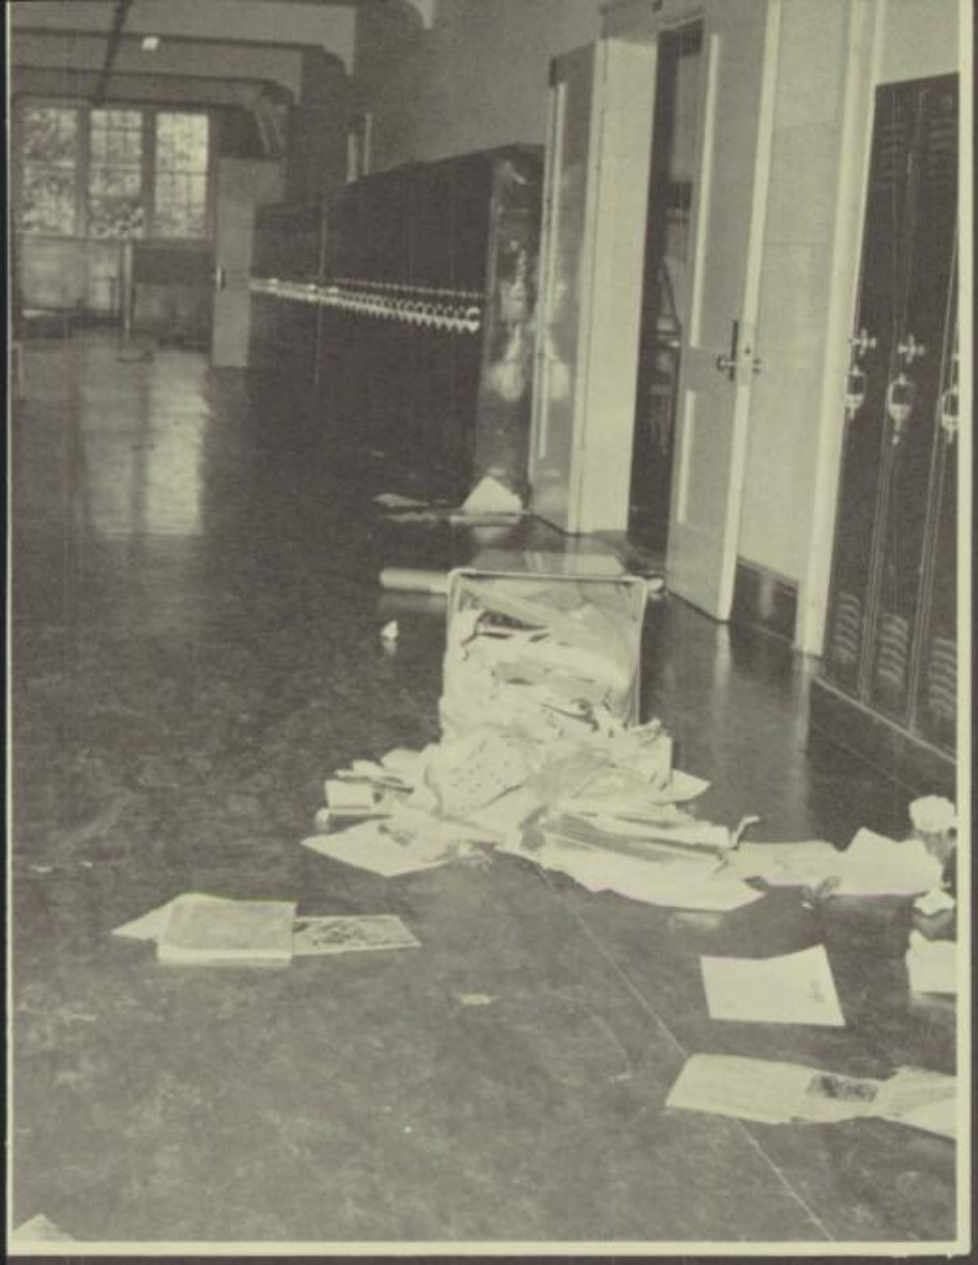
You are a child of the universe, no less than the trees & the stars; you have a right to be here.

And whether or not it is clear to you, no doubt the universe is unfolding as it should.



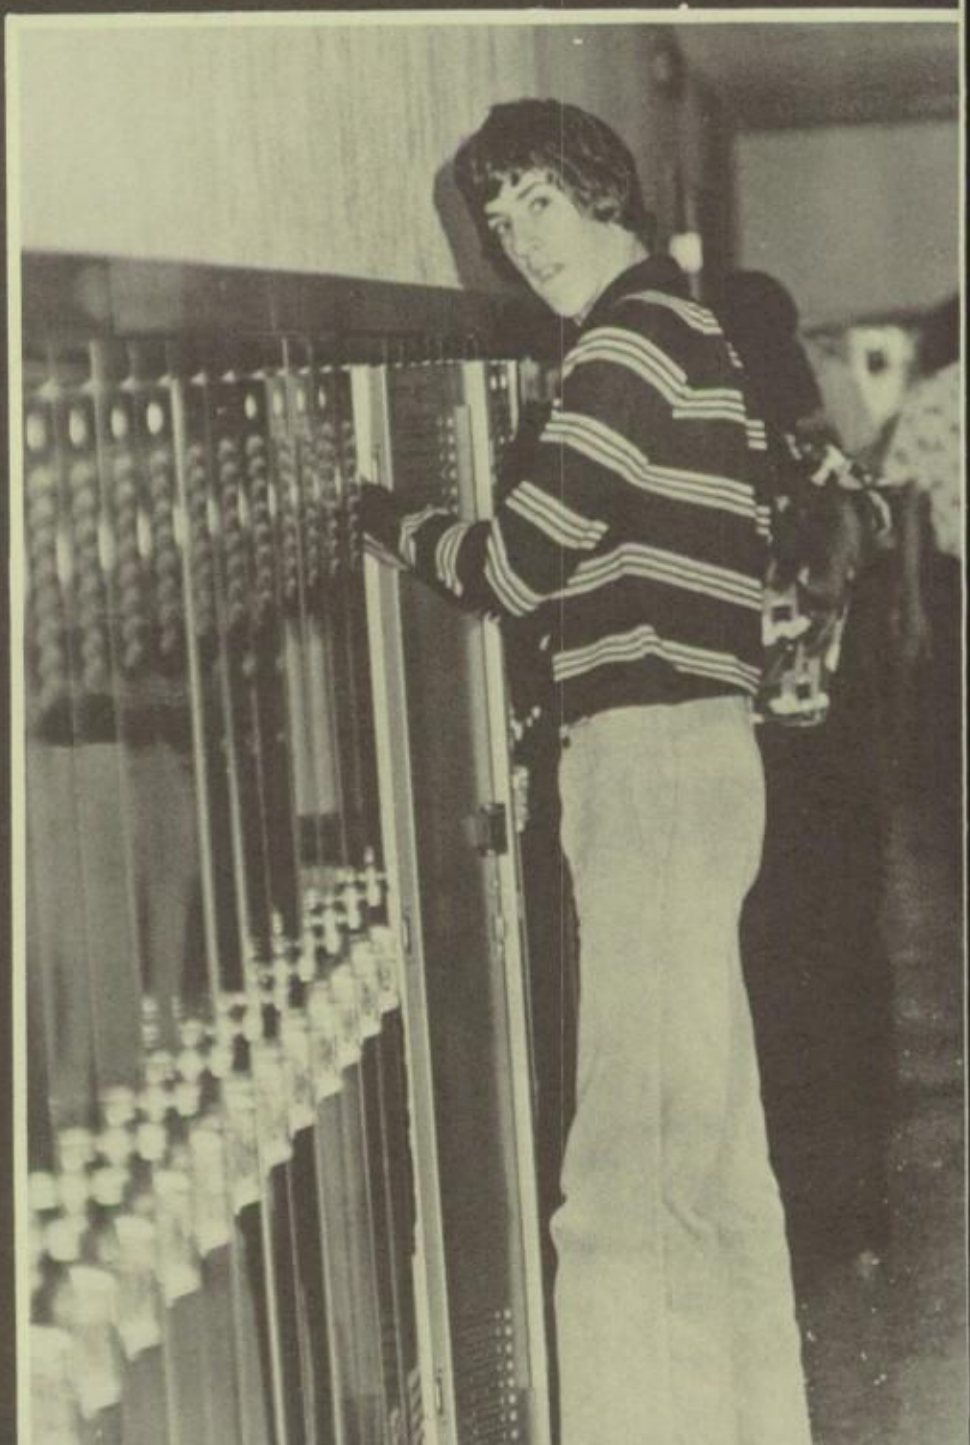


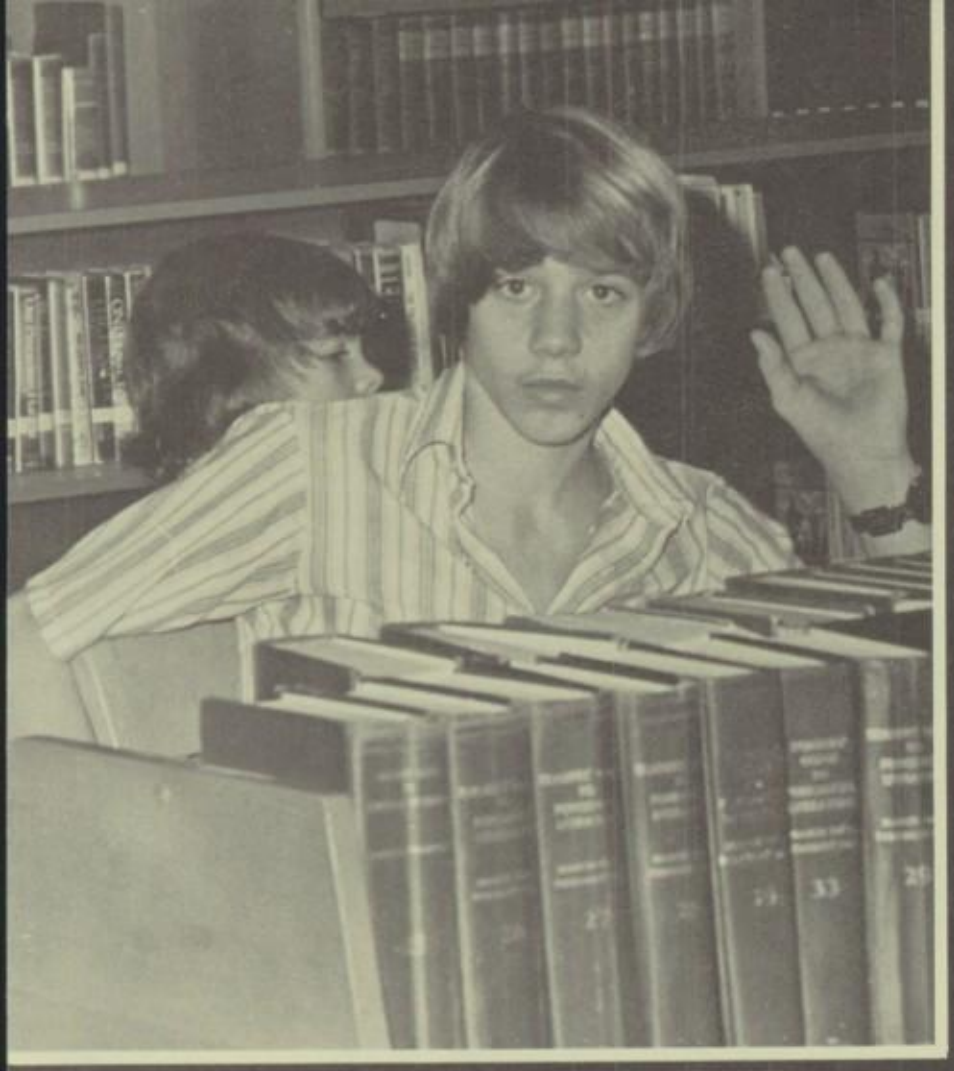
Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in noisy confusion of life keep peace with your soul.



With all its sham, drudgery & broken dreams, it is still a beautiful world.

Be careful.





Strive to be happy.

Fall Fun Filled

Students came back to school last fall with a variety of activities on hand. The new Teacher Advisor system was put into effect during the first week. A mandatory assembly was held to introduce new teachers, student body officers, and exchange students. Football Homecoming, with October Gold as the theme, was highlighted by two princesses from each class. The queen was chosen from the senior class princesses, with the entire student body voting. The football season ended with a four and five record. The Cross Country teams, along with the Volleyball and gymnastic teams, had successful seasons. October 21 was the date for the annual open house. And Teacher Turnabout day put a nice finishing touch on the fall season.

Football Royalty Reigns

Football Homecoming 1975 was not just October 24, but a series of whirly events. Heading off the week was the Oct. 20th battle between the junior and senior girls, more commonly known as the Second Annual Powderpuff Football game. The seniors won 18-6.

Monday's events included a rip roaring pep assembly, featuring junior and senior boys. Powderpuff King of 1975 was Kirk Warren.

Tuesday's 7UP drinking contest showed a victory for the seniors. This was also "Boot Day." It proved to be a fun day!

Thursday's big excitement was an assembly led by Charles King. He got the spirit rolling with everyone singing soul music. Thursday was also "Hat Day." What a rowdy day!

Friday came. In the morning we had a spirited pep assembly, introducing Queen Devri Sharp and her court. The pep assembly was topped off with a pie eating contest. After the game came the grand finale of the evening, a dance with Touch providing the music.

"Auntie Mame" a Sellout

West Linn opened its drama season to a full house November 13, 14, and 15. The play that drew waiting lines forty-five minutes before each show was the hit comedy "Auntie Mame," an uproariously funny story that chronicles the antics of the mad-cap eccentric Mame Dennis, played by Barbie Falconer. When Mame's brother Edwin dies, his son Patrick is forced to live with his only living relative, "Auntie Mame." Mame, having no idea of how to raise a boy, does not follow her late brother's plan in bringing up her nephew. Instead of choosing a conservative school, Mame enrolls Patrick in Mr. Devine's school, where the students and teachers wear no clothes.

This, plus other episodes, sent the audience away feeling truly entertained.

Girls' Gymnastics Develops

1975 proved to be a trying year for the girls' gymnastics team. Out of eight meets they won only one. However, considering the competition they were up against, they did quite well. This was only their first year as a team. Coach Pepper Mensing, a former All-American gymnast, said, "We are a young team, but we are improving. Through our gymnastics class and the community program, we should develop some real talent."

Junior LeAnn Schwabauer was the outstanding gymnast on the team. She scored highest in all five events, including an all-around at an Oregon City meet. In finals, LeAnn placed eighth on the uneven bars.

Boys' Gymnastics Popular

Already an established sport in many schools, boys' gymnastics was introduced to West Linn this year and proved to be quite popular. West Linn is to be commended for victories in seven out of ten meets. "The team showed great improvement during the season, and as a new team they had a fine first year record," stated Coach Bob Grant. Dan Flamm did well this year as our all-around, with a high score of 8.35 in vaulting.

Other outstanding members include Gary Morris, Joe Miken and Perry Rabick.

Due to the number of young members on this year's team, the outlook for next year is extremely promising. Having demonstrated their potential, both the coach and the team members are planning on a truly memorable season in 1976-77.

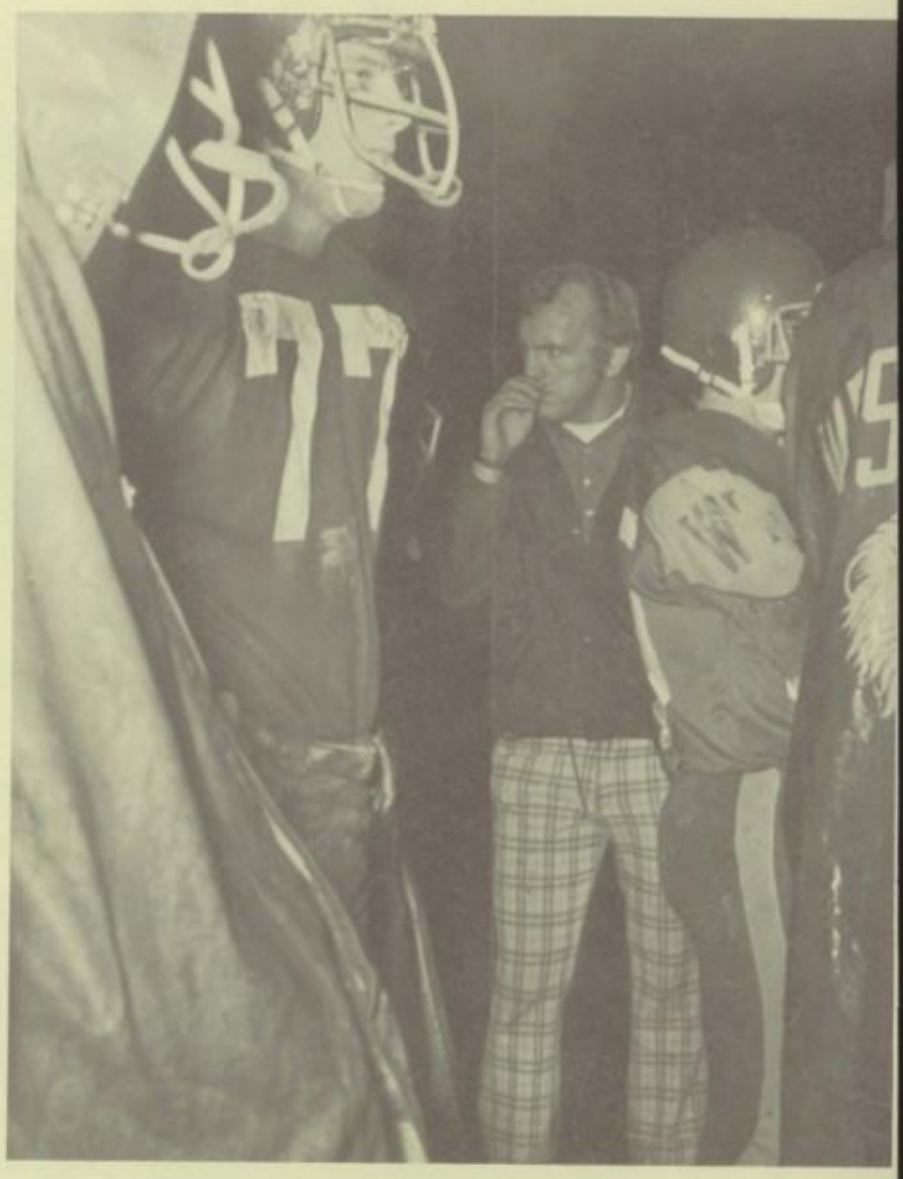
Varsity Lions Rebuild



This year's varsity football team had a pretty fair season. Injuries were our biggest enemy. Mike Bishop and Tim Dungey suffered knee injuries in the intersquad scrimmage. Mark Goins broke his arm, but returned for the final three games.

Although there were setbacks, West Linn had many bright moments. West Linn started out the season by dropping a close game to the seventh-ranked Jesuit team. Then we lost another heartbreaker to rival Rex Putnam. However, the mighty Lions roared back for dual wins over Tigard and Gresham.

When things were looking good, the Lions were defeated by Lakeridge, but returned to shut out Oregon City for the Bernie Herman trophy. Both Clackamas and Milwaukie defeated the tough Lions by scores of 18-0 and 14-0. The rebuilding Lions were not to be put down and showed their poise and maturity by blanking Sam Barlow in the playoffs.

J.V. Team Spirited

Although the J.V. football team may have been small in size, they were giants in spirit. After losing their first five games the team rallied together to win three of their four remaining games. One of the highlights of the season was conquering the undefeated Oregon City team. Coach Joe Vanni named Bob Bishop and Doug Perrin as the team's outstanding players. This year's J.V. players should make a substantial contribution to next year's varsity team.

Frosh Football Record 5-2

The frosh Green team, coached by Darrell Greenlee, opened their season play here with a big win over Ogden: 42-0. Coach Greenlee noted what a great job his defense did. Only five touchdowns were scored against the young Lions - all early in the year.

The Green team ended the season with five wins, two losses and one tie, against the undefeated Hood River Eagles. The Gold team also closed the season with a five-two record. In the final game the Gold team revenged the Green team's loss to Milwaukie by shutting them out 42-6.

Volleyball Successful

The success of the varsity volleyball team was due to two main factors; the tremendous dedication and effort put forth by Coach Lucille Grunst, and the effort of every member on the team.

The girls began their season by placing third in the Hood River tournament. They then followed through by defeating Rex Putnam, Milwaukie, Oregon City, Hood River, Reynolds, and Sam Barlow. The teams' highlight was defeating Tigard twice, in regular season play.

Playing for the last time with West Linn were seniors Jan Buse, Karen Hackenberg, Teresa Newton, Kasha Tolman, Lorrie Romaine and Teresa Zauner. Teresa Newton was selected as a member of the All-City volleyball team.

J.V.'s End Season 10-4

"This year's junior varsity team was a real pleasure to work with," stated Coach Lucille Grunst when asked about the team. "Their attitude as a team helped them have a successful season." This year's J.V. volleyball team did have a successful season, coming through with a 10-4 win-loss record.

Team members included exchange students Thom Suttisomboon and Felice Sedlacek. Patti Ferguson and Sue Morgan were also new additions. The lineup for next year's varsity team shows real strength.

Almost a Perfect Season

The frosh volleyball team was just a hair away from a perfect (undefeated) season this year. Of fourteen games played, they lost only one. In addition to the thirteen wins, the frosh team walked away with the trophy after defeating all four teams at the Ogden tourney. When asked to comment on the team's ability, Coach Pat Kahle said, "We have some fine girls that will make an outstanding team next year. They worked really hard this year, and our record shows the results of that work."

Varsity CC Sets Goal

This year's varsity cross country team set themselves a goal: to have the best season ever. Possibly as a result of this goal, they achieved something that was rather important: they won the Sam Barlow Invitational Tournament.

The team's record for the year was six wins and seven losses. They feel their determination paid off and that they proved to some other teams in the league that West Linn has the potential for an excellent team. West Linn cross country is on its way to being number one.

J.V. CC Team All Sophomores

From hard working "rookies" last year to highly experienced harriers, this year's junior varsity cross country team rapidly improved its performances and showed great promise for upcoming varsity performances.

The team, which consisted of all sophomores, placed first in five out of eight meets during the regular season, and placed eighth out of ten schools at the district meet. Individually, Tom Previs came in 25th, with Scott Sayre, Frank Anderson, and Harley Crain finishing within ten seconds of him.

According to Frank Anderson, "the team had four runners with good potential for the future. They are Frank Anderson, Harley Crain, Tom Previs, and Scott Sayre."

Frosh Cross Country Fail to Qualify

Cross Country meet rules require five members on a team in order to qualify in a meet. Due to the fact that only four freshmen turned out for the team, they were not able to qualify in any of the meets. However, freshman Todd Campbell participated in two of the varsity meets and ran in district for the Lions placing 53rd out of 93 contestants.

Coach Don Smith singled out Todd Campbell and Steven Sayre as being good prospects for the upcoming varsity team.

Girls' CC Team Forceful

Running everyday after school, through sunshine, rain, and wind, was a steady routine for the six girls on the Cross Country team. But it was worth the efforts. The girls took first in the district meet.

The outstanding sophomore runner was Lori Alzner, although she was unable to run for half the season or at the district meet, due to a leg injury. "The practice was hard work, but this was a fun season," commented Lori.

Julie Fitzwater claimed the title for best Freshman runner. She came in first of all the girl runners in the final meet. But the team consisted of more than these two runners. Coach Don Smith, along with the other four girls, displayed genuine teamwork, which helped to make this year a success!

Fall Sports Banquet Fun

Fall sports awards were presented in the school cafeteria Tuesday, November 25. The school district provided food for the dinner which was in honor of 200 athletes, and their parents. The banquet was well attended by football players, cross-country runners, gymnasts, volleyball teams, rally girls, debs, and the many coaches who had devoted long hours in helping the teams.

Many special awards were given. In football, Brian Holman received the award for most valuable player, Tim Delanty was the most improved player, Don Esau got the Bernie Herman award for being most inspirational, and Brian Coventry claimed the Red Shirt award. Kirk Warren was chosen for the All-Wilco League first team as a defensive guard. In volleyball, Theresa Newton was selected for the League All-Star team during 1974 and 1975.

The evening ended with a speech by Mr. Bishop complimenting the teams on their great efforts during the fall term.

Winter Activities Unique

The winter of 1975-76 was unique in a number of ways: both the boys' and girls' basketball teams went to state, where West Linn took first place in sportsmanship for the first time. Intramural basketball, under a new system, proved to be an enjoyable activity for many students. Homecoming week was filled with the traditional happenings, including a big dance at the end of the week.

It was a winter of many memories, made special by the amount of student involvement.

Sweetheart Week Busy

To get in the mood for Valentine's Day, Leadership sponsored "Sweetheart Week." One sweetheart was elected by each class. To start off the week on Monday was an ICC Basketball game, in which the captain of each team voted on the two best players of their team. They then made up two teams. The East, whose captain was Richard Katz, beat the West whose captain was Ron Quint, 21-14. On Tuesday was the start of those heart-loving Val-o-Grams. On Wednesday was the yearly auctioning of the slaves, and Thursday was Slave Day. On Friday the rally put on a "Sweetheart Pep Assembly" which introduced the court and raised everyone's spirit. All this led up to the Sweetheart Dance which the junior class sponsored. Even though it was in the cafeteria, they did a good job of making it look like a Valentine's Dance, which everyone thoroughly enjoyed.

Christmas Ball Got Couples Boogiein'

The Christmas Ball was successful with approximately 75 couples attending. The ball was held at Flavia Hall, on December 20 at 8:00. The atmosphere was created with mistletoe, holly and a Christmas tree. Leadership class sponsored the ball and chose White Lightning to play. When the couples weren't boogiein', they were busy drinking punch and munching on chips and dip. The well remembered evening was a good way to start off the Christmas vacation.

Winter Play Triumphs

Three performances, March 4, 5, and 6 marked the dates for the winter play, "The Diary of Anne Frank." The play is based on the actual diary of a young Jewish girl, whose family and friends had hidden from the World War II Nazis.

Weeks of hard work and many long hours were put into the play. A variety of students, and director John Welty all contributed to making "The Diary of Anne Frank" a success.

The actors did not have the only important parts. The costume, make-up, prop, and lighting crews played a major role in participating behind the scenes. All the devotion and practicing given to this play certainly paid off, as all three of the audiences were moved by this true drama.

W.L. Takes Wilco

Powerful basketball has become a West Linn tradition under Coach Ernie McKie. The successful 1975-76 season was no exception as the Lions ended the season with a 23-0 record. Coach McKie attributed the outstanding record to dedication, sound starting seniors, and a powerful bench. Compared to West Linn teams of the past few years, this year's Lions were relatively small in terms of height. A strong defense and an immense amount of determination carried the team through the season and on to fourth place in state. Finishing the regular season as league champions and No. 1 in the state, West Linn placed three players on the Wilco league all-star team. Guards Scott Smith and Tim Dungey and center Rick Parker each received both all-division and all-league honors.

A Growing Season for J.V. Roundballers

The 1975-76 junior varsity Lions had an all-around good season with a mark of eight wins and thirteen losses. Losing the close games plagued the Lions in the first half of the season; they lost six games by less than five points.

The second half of the season was like the flip of a coin; the young Lions won seven of their last eleven games. Consistent performances by Bob Bishop and steady improvement from Leif Rasmussen, Gary Greenlee and Darrell McConaughy gave the Lions the winning edge toward the end.

According to Coach Don Smith, "the team's high scorers were Bob Bishop with 182 points and Leif Rasmussen with 169 points. The team's best hustler was Gary Greenlee."

Frosh Basketball Teams Post Winning Season.

Our Freshman basketball team was divided up into two equal squads. Under the coaching of Don Schmeiser, the Green team boasted a 17-2 record. Some names responsible for the admirable record are Dave Clark, John Tolman, John Long, Jeff Menath, and Dirk Ellsworth.

Our Gold team, coached by Ron Becker, boasted a 15-5 record. However, that is not all to be bragged about. Talented players include Steve Goins, Mike Buth, Glen Doty, Jeff Klein, and Marty Asch.

Both teams had exceptionally bright moments. The Gold team had a poised, mature win over Milwaukie. Guards, Steve Goins and Glen Doty played demon defense and added scoring punch to lead the young team. The Green team's brightest moment was a 52-17 win over Molalla. The reason for both teams' great success was not great individuals, but the obvious good team effort.

Girls Take Fifth in State

In their second year the varsity girls' basketball team had an excellent season. Under the coaching of Tom Boyle the team ended the season with a league record of 15-2.

The girls played successfully against Gresham and Centennial for the Wilco League Championship. The girls brought home the Wilco trophy and the net, too. The state championships were held at Lewis and Clark College with West Linn taking fifth place in state. The first game was a victory over Baker 50-33. The second game was against Wilson, last year's champs. It was the Lionesses' third loss for the season: 53-37. St. Mary's was the third game, with West Linn defeated 48-49 in overtime.

Five girls placed on the Willamette Division All-Star Team. On the first team was Jan Buse, Theresa Newton and Kasha Tolman. Debbie Ware, a sophomore, took a position on the second team, and Karen Hachenberg received honorable mention.

Two girls also made All-Tournament Team for their accomplishments in the state tournament. Kasha Tolman, one of the tournament's leading scorers, made first team and Jan Buse, one of the leading rebounders, was named to the second team.

JV Girls Gain Experience

The junior varsity team, in their second year, had an average season. The team was under the coaching of Pepper Mensing, who was assisted by Clark Hoss.

Although the season record was four wins, nine losses, there were many outstanding players. Pam Steinkamp was the leading scorer and rebounder, and Lynette Holdahl moved very fast and kept the team moving. Though Sue Morgan was "Shorter than everybody else, she was a fantastic rebounder", remarked Coach Mensing.

Ski Team Glides

The boys' ski racing team placed third in the Wilco League. This best finish ever at West Linn qualified our boys' team for a berth in the state championships. Although we did not bring home any trophies from state competition, Brett Morelock became the first West Linn racer to ever make an "A" rating, which qualified him to continue racing in regional competition. He was also voted the outstanding senior racer in the league.

We will be sorry to lose the two remaining members of our girls' team - Linda Davenport and Barbie Hauck. Linda compiled the best record of her career during her senior year. She became the first West Linn girl to receive a "B" rating. Coach Gayle Peters said, "I enjoyed working with this team very much, and I look forward to even better finishes next year."

Wrestling: Team Effort

This year showed improvement and may be next year will be their year. The improvement was a team effort. Starting at the 98 pound class, Mark Krellwitz showed improvement from last year to make his future a promising one. 106 pounder Scott Sayre showed lots of promise for the varsity matmen, as did 115 pounder Rob Johnson. The only other varsity freshman was Dominic Vanni.

Returning lettermen all improved as the season went on, starting with Jeff Croy at 130, Justus Mills at 136, and Ken Pepperling at 141. Mills went to district and finished third with a 24-7-1 record. 148, 157, and 168 pound spots were filled by Scott Schwabauer, and Bob Mecalis, Larry Oldenstadt, and Allen Folk respectively. At 178, team captain Chuck Dissen not only finished with a 23-8 record, but also qualified for the district tournament and took third place. Junior Bob Bailey filled the 191 pound class while heavyweight Doug Ware finished his season with a 21-9-1 and a second place subdistrict title and a third place district finish.

Frosh Wrestlers Show Perserverance

According to Coach Gary Hertzog, in spite of their "typical freshman attitude," the frosh wrestlers made an "excellent improvement."

The team consisted of 23 guys ranging in weight from 100 to 200 pounds. The coach recognized Mark Hansen, wrestling at 145 pounds, Dominic Vanni, at 125, and Rob Johnson at 115 pounds, as the outstanding wrestlers. As a general estimate the team won 2/3 of their matches, and at a tournament February 5th, they placed seventh. With such enthusiasm and perseverance, the freshmen hold much potential for the future of West Linn's wrestling.

Athletes Honored

The Winter Sports Banquet this year honored many athletes from basketball, wrestling and skiing as well as the winter rally, Debs and the Pep Band.

The M.V.P. award for girls' basketball went to Jan Buse and Kasha Tolman. Tim Dungey, Scott Smith and Rick Parker shared M.V.P. honors for the boys.

Senior Chuck Dissen was named outstanding wrestler and given the team captain award.

Ski team awards went to Brett Morelock and Linda Davenport for most valuable racers.

The 75-76 fan of the year, a special award added to the agenda this year, went to Doug Fiala. The banquet was a fitting finale to a truly successful season for everyone involved in the winter sports program.

Spring: Full of Change

Spring was a busy time. The days were filled with baseball, track, golf, and plans for May Day. A new superintendent was chosen. TA and the attendance policy were carefully evaluated.

For the seniors spring was a time of counting out the days until graduation.

Spring was a quiet time. A time to contemplate what the future might hold.

Spring was a happy time. Days of sunshine, new tans, frisbees, and student-teacher softball games.

Spring was a sad time, a time to say goodbye to teachers as well as students who would not be returning to West Linn High.

Spring was a time of changes, a time of young people becoming adults. Perhaps the changes were good, perhaps not. Only time will tell.

Queen Kris I

"What lies in the future or in the past is a small matter as to what is actually happening within us. I love the gift of life and living." This reflects the philosophy held by Kris Simonsen, West Linn's 1976 May Queen. On being chosen queen, Kris said, "This type of thing only happens in dreams, not in reality." Kris lists being chosen queen as her most memorable moment, plus all the great times she has shared with friends. A diminutive 5'$\frac{1}{4}$" tall, blue-eyed blonde Kris added grace and enthusiasm to the May Day festivities. Kris plans to become an orthodontist. She chose Greg Sams as her escort for May Day.

Maid of Honor Molly

"Life is what you make it", Maid of Honor Molly Hill's favorite quote, means being involved in things, and involved Molly was during her four years at WLHS. A member of Thespians, National Honor Society and Modern Music Masters, Molly was voted "best actress" in '73-'74 and chosen most talented senior by her classmates. Molly plans to study television broadcasting. Molly's escort was Brett Morelock.

Princess Cory

High on Princess Cory Anicker's list of favorites are seafood, Gordon Lightfoot and summer. Extremely active during high school, Cory has been a member of Debs, J.V. and Varsity Rally, Honor Society, A.F.S., Ski Club, Swim Team and I.C.C. Cory was also chosen football homecoming princess and served as co-editor of the newspaper her senior year. Cory plans to attend Oregon State University in the fall. She was escorted during May Day by Steve Klein.

Princess Mary

5'4" Princess Mary Asch's high school activities include varsity football rally and senior class favorite for cutest smile. Princess Mary's list of favorites include steak, baked potatoes, spring, and the group Heart.

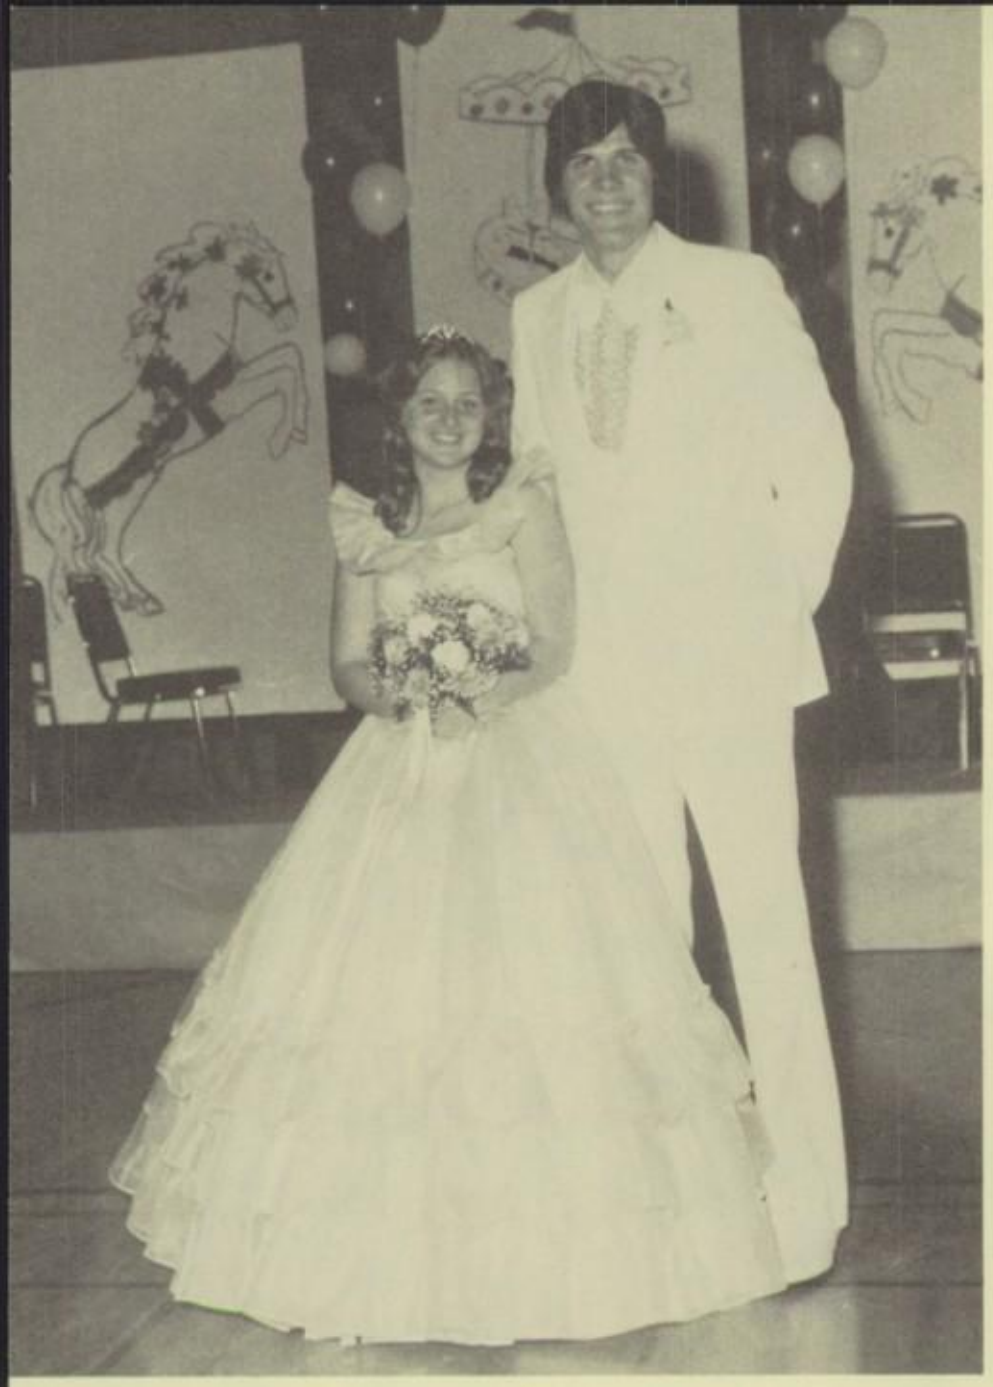
Mary hopes to go to Hawaii and California this summer, after which she plans to attend P.C.C. Mary's favorite expression is "If you love something, set it free. If it comes back, it's yours. If it doesn't, it never was."

Princess Colleen

"It is better to have loved and lost, than never to have loved at all," is Princess Colleen Bell's favorite expression. Her plans for this summer include traveling and getting into the sun.

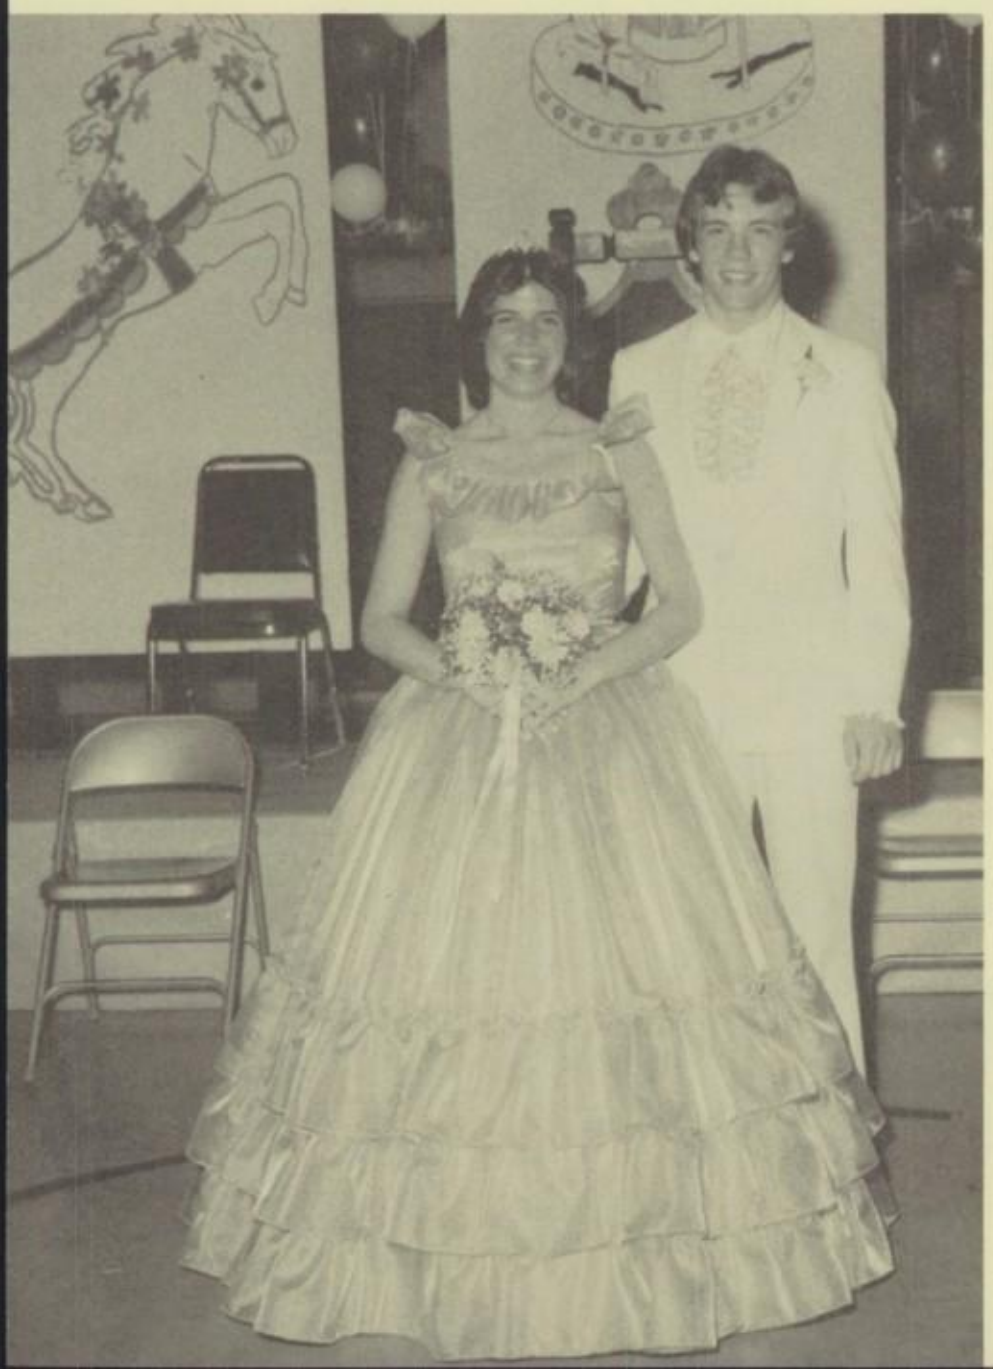
Princess Colleen was the smallest member on this year's court, being only 5'0". Her most memorable experience in high school was being on varsity rally and making May Court. Colleen's plans in the future are to major in business and get married some day.

TOP: Princess Mary Asch escorted by Dave Austin.
RIGHT: Princess Colleen Bell escorted by Kelly Gurley.
ABOVE: Members of the girls' gymnastics team perform a ribbon skit during the afternoon May Day performance.



Princess Barbie

Princess Barbie Falconer's favorite expression is "The best place to find a helping hand is at the end of your own arm." Her favorite food is grilled cheese sandwiches. She has been very busy in journalism, speech, and drama. Her most memorable experience was going on the stage during "Auntie Mame" and discovering she had her low-backed dress on backwards. Her plans for the future include going to Principa College. Barbie's escort was Rick Parker.



Princess Michelle

Peppy 5'7" Princess Michelle Miller was a member of varsity rally for two years and was then voted most spirited senior. Michelle enjoys Mexican food, the group Chicago, and summer. She plans to enroll at the University of Oregon in the fall. Winning the sportsmanship trophy and making May Court are her most memorable experiences. Michelle stated that her escort, Tim Dungey, is her favorite person. Michelle plans to work in the summer after graduation.

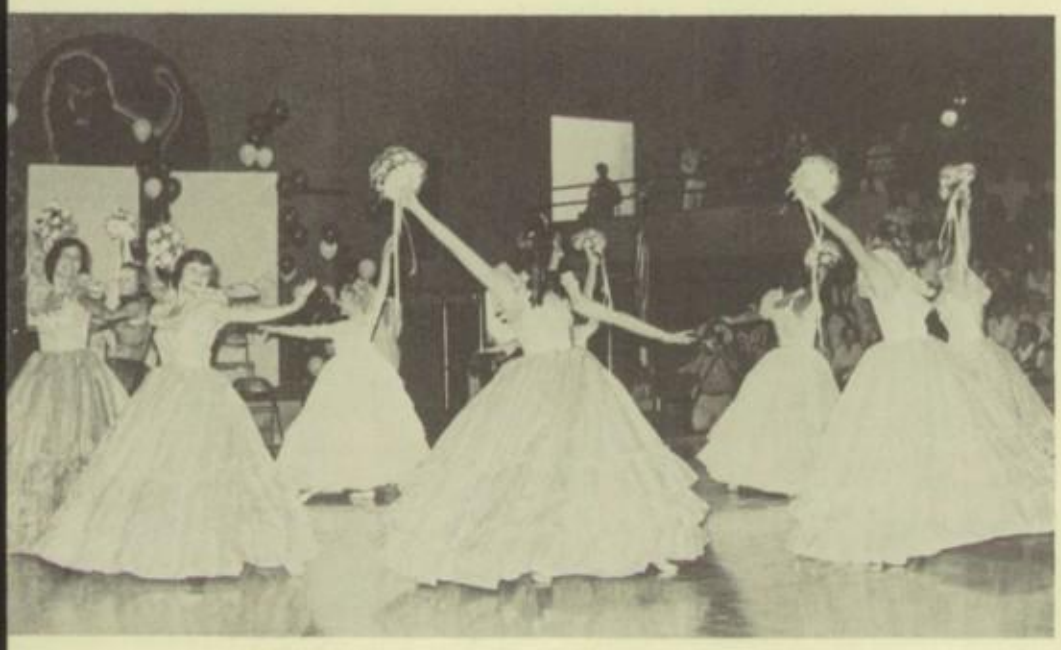
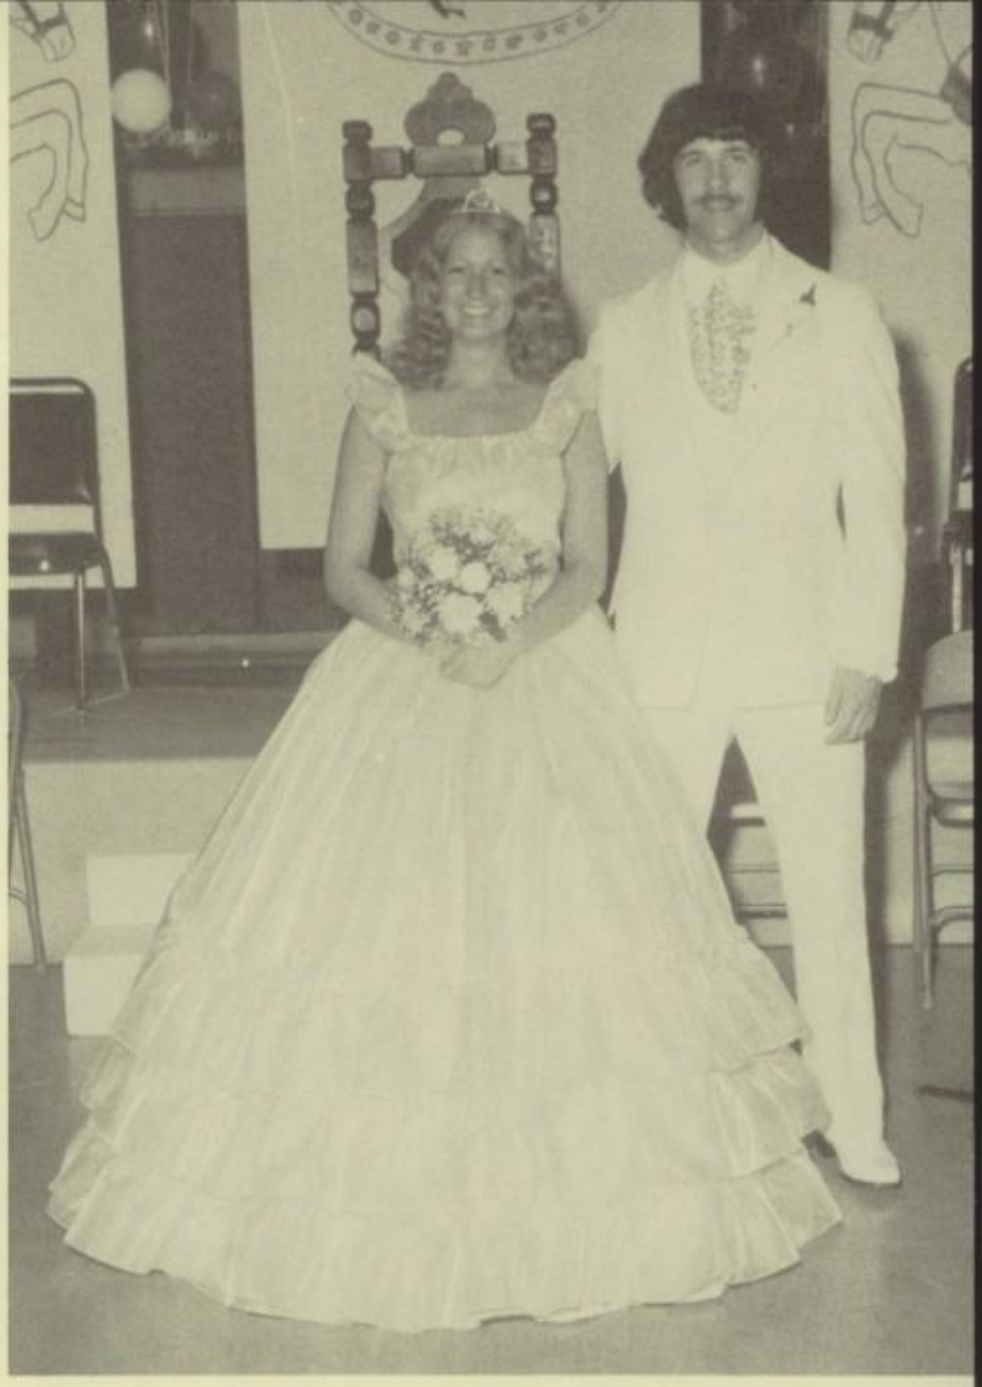
Princess Patti

Princess Patti Previs, standing 5' 5½" with brown eyes and blonde hair, has been active in school functions. She was a member of the varsity football rally, AFS, Honor Society and Debs. Some of Patti's favorites are Japanese food, skiing, tennis, picnics and watching baseball. Her favorite quote is "To thine own self be true," and her plans for the summer include work and play, plus getting ready to go to Oregon State. Patti's escort was Brian Holman.





Princess Becky

"Eeee!" That's Princess Becky Schumacher's favorite expression, and it describes her reaction to being chosen to the May Court. "It's the neatest thing that could have happened to me," said Becky. Being a member of Debs as they won fourth place in the state dance competition is one of Becky's most memorable moments. High on her list of favorites are summer, Bette Midler, Carol Burnett and cheesecake. Becky chose Eric Bartels as her May Day escort.

Queen's Ball: A Spring Carousel

Spring Carousel was this year's theme for the Queen's Ball. It was held at Portland Community College, which had a large ball room decorated with colorful ribbons and flowers. The Junior Class spent many long, hard, and worthwhile hours organizing so everyone involved could have a good time. Over 125 couples attended the ball and all those there danced to the sounds of "Heartbeat." Queen Kris and her court were honored with a special dance. Refreshments were set up at a specific table allowing people to partake in their choice of punch, cake, nuts or mints. After the ball was over, the couples floated out the door and went on to enjoy a nice dinner at the restaurant of their choice.

Entire Community Involved in Bicentennial Activities

"Happy Birthday America" was this year's theme for the Bicentennial Activities. West Linn High School celebrated their activities throughout May Day week. There was a spelling bee, a parade which included over 700 people from around the community, and a birthday cake weighing over 200 pounds and measuring 8' x 4'.

Queen Kris Simonsen reigned over these Bicentennial Activities as well as the May Day festivities. This included many hard-working gymnasts, Debutantes, and May Pole winders.

These activities were appreciated by everyone throughout the community.

Spring Drama: The Unsinkable Molly Brown

Opening May 19 on the West Linn High School stage was a high spirited, action packed performance of "The Unsinkable Molly Brown." The cast's leading lady, 4'11" Diane Dillard, co-starred with 6'8" Rick Parker.

With a cast of 65 actors and actresses, director John Welty and music director Gene Hardin, six weeks were spent preparing the exciting musical extravaganza for the public's enjoyment.

The vital framework of the play consisted of crews ranging from costuming, (which worked with a $1,300 budget) to the prop crew, which tracked down everything from a cigar band wedding ring to a glistening brass bed.

"The Unsinkable Molly Brown" provided fun and entertainment for all, and proved to be a sensational hit. The six weeks of hard work and practice sure paid off during the four performances, as the audiences were all captivated with a song, a laugh, and a tear.

Varsity Baseball Swings

The varsity Lions had a very young team. We spent the season building up our skills with great promise. Despite a record that showed more than twice as many losses as wins, the year was not without its high points. The Lions really showed their strength when they went up against the Clackamas Cavaliers and came out with an impressive 9-6 victory. Tim Dungey's three-run homer highlighted a nine-hit explosion which gave West Linn its fourth win of the season.

Although the Lion baseball team started out the season young and inexperienced, they will be returning next year more mature and with more skill. The Lions ended the season with five wins and fourteen losses in league play, but Coach Terry Pollreisz feels that he has a good nucleus for next year's team.

JV Baseball Strikes

Even though the JV team ended the season with a 6-18 win-loss record, they showed some real good outlooks for the future. Among them were Brian Porter with a .352 batting average, and Dave Morris with a .297 batting average. The two top pitchers were Dave Morris and Jeff Schroeder. One of the most memorable games was against Lake Oswego, the best team. Although they lost 5-3, Doug Doty hit a three-run homer which made it pretty close. Coach Terry Woebke commented that if they had had a field to practice on they could have played better. But as it was they really played some fine baseball.

Frosh Baseballers Hustle

Despite a losing record, the Frosh baseball team finished the season with many future varsity competitors.

Steve Goins led the team in hitting with a .347 average, followed closely by Glenn Doty, hitting .333. The main pitching load was held by four players, Bob Barnes, Jeff Menath, Glenn Doty and Todd Campbell.

The Frosh finished the season with 7 wins and 11 losses, but the year was not without its highlights. The brightest moment was a 3-2 win over Gladstone, a rival to the Frosh.

It was a season of many outstanding individual performances, and a season that started many players well on their way to varsity competition.

Golf: Winningest Sport

Two years ago, the golf team finished their season with a 1-13 record, making them the losingest team in the school. The golf team was the winningest spring sport at West Linn this year, posting an 8-6 Wilco League record. Consistency was the watchword as the Lions won four visiting matches and scored at other courses as well as their home course, Top-O-Scott. A new school record was set in a 186-201 win over Tigard. Sophomore Rob Kremer led the team with a 38.6 scoring average, followed closely by senior Eric Moller with a 39.1 average. These two golfers gave the team a one-two punch, taking pressure off the remaining three varsity players.

Varsity Track Competes

The 1976 varsity boys' track team ended their regular season with a victory of 85-59 over Oregon City Pioneers. Dan Hansen was considered the all-around performer of the year. Bill Hawkins and Brent Daniels did a good job in the hurdles. Coach Joe Vanni will not be here next year to coach the track team but he says that with the young team they had, "we hope to come back next year with more experience and a better team, and I wish them all good luck." With a possible returning of 26 out of 30 guys they will be able to bring the year's record of 1 and 8 up. The District track meet was held at Mt. Hood Community College. No one qualified for State but Dan Hansen showed great promise, and next year will succeed.

1976 Freshmen Track:

A Good Crop of Guys

"A good freshman crop" is how Coach Joe Vanni described the "76 frosh track team. Recognized as outstanding participants were Doug Richeson, holding the all-time West Linn frosh high hurdle record; Dave Clark, one of the best frosh sprinters ever to enroll; and Steve Bowerman, who, according to Coach Vanni, "is among the best freshman pole vaulters West Linn has seen." Because of a lack of participants, much scoring potential was lost in areas of distance running, shot put, discus, and long jump. Several frosh guys competed on J.V. and Varsity levels, weakening the freshman team, but adding strength to Varsity and J.V. events. The strong points of the frosh track team included sprints, hurdles, pole vaulting, and the 440 yard relay. A "good crop" of young athletes, the frosh have proven that they can work, and will, to the advantage of West Linn's future in track.

Girls' Track Sets Records

The girls' track team broke many school records. Theresa Newton broke the 100 yard dash record with 12.0 against Tigard. Jan Buse broke four records: the shot put twice; first at 38'9" against Rex Putnam, and against Tigard at 41'2½"; and the discus record fell twice; 101'3" against Clackamas, and 106'4" against Milwaukie. Delores Ware set high hurdles against Milwaukie at 18.0 seconds and then 17.3 against Reynolds.

The most exciting meets were the last duel against Reynolds and the victory over Oregon City.

In the state meet Lori Alzner ran her second-best mile of the season, 5.20.8. Jan Buse produced her season's second-best shot put (39'11¼"), which gained her a sixth place medal.

Spring Sports Banquet Honors Athletes

The banquet started with Mr. Bishop thanking various groups for their support. Then, Mr. Hibbard said a few words about Mr. Vanni leaving for California. The players then gave gifts to their coaches. Next, the players received awards. For golf, Rob Kremer was top in every category. Baseball was done by Mr. Pollreisz, who started with a special award to the scorekeeper. Then an award was given to Tim Dungey and Randy Oetken, who received honorable mention on the all-Wilco Team. Then the awards that the players had voted were announced: Tim Dungey and Randy Oetken tied for the Most Valuable Player award. The most inspirational player award went to Rick Kremer.

CLASS OF 1979

The freshman class came in with style. They, as all other freshman classes, hid in the woodwork for the first few weeks, but then they came out bigger and bolder than any other class. President Sandy Dodge said, "This year's freshmen class is spirited and full of enthusiasm. The class of '79 is on its way to success. It's been a fantastic year for me, and I sincerely hope for everyone else, too."

CLASS OF 1978

"The powerful class of '78 had a most successful year, which started with an enjoyable homecoming. Our class showed more than just spirit. It showed fellowship as well. It has been a pleasure to serve as class president for the second time. This year the class as a whole only confirmed my thoughts of us being the most powerful class to go through West Linn in years.

CLASS OF 1977

The uniqueness of our class must be because we are distributed in many groups in the school. Although we are found in different groups, the class of '77 will long be remembered as a class of individuals. Clark Hoss, our new adviser, did a great job of helping with class-sponsored activities: movies, Valograms, and the highly successful Queen's Ball. Sincerely, Mark Sagin

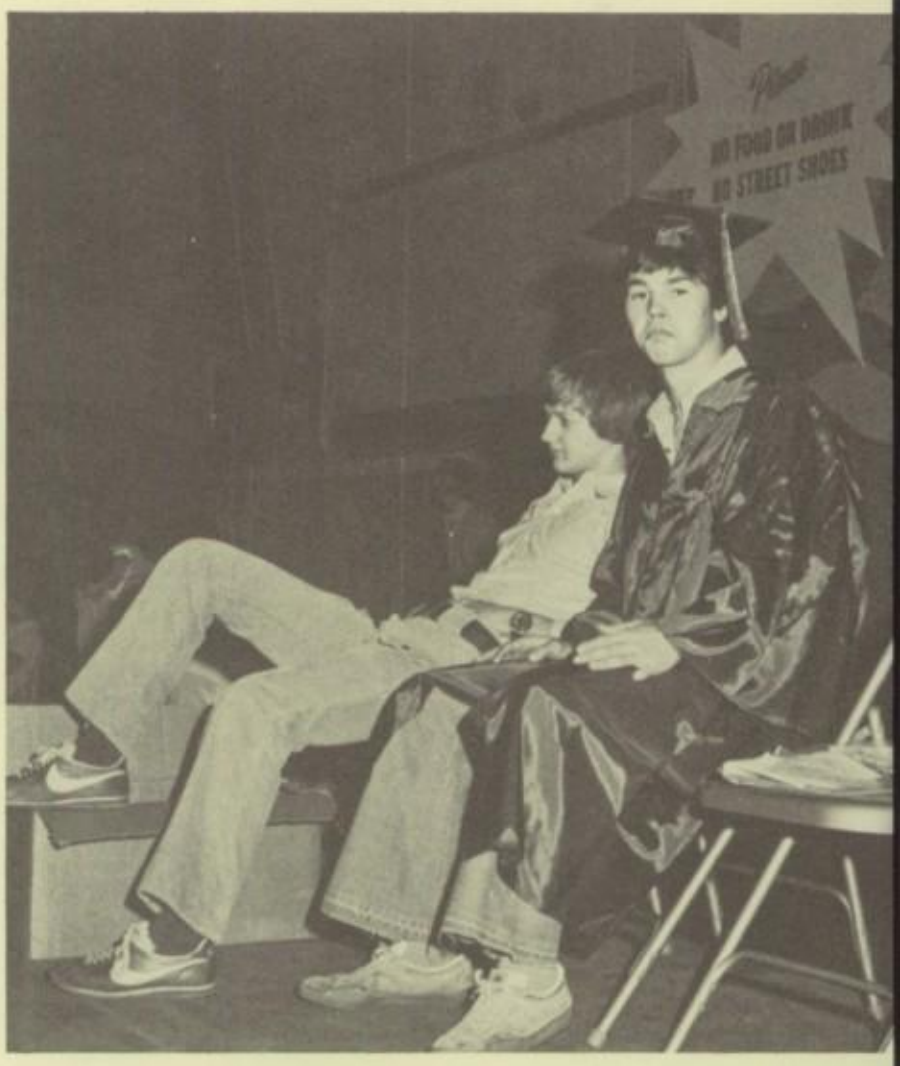
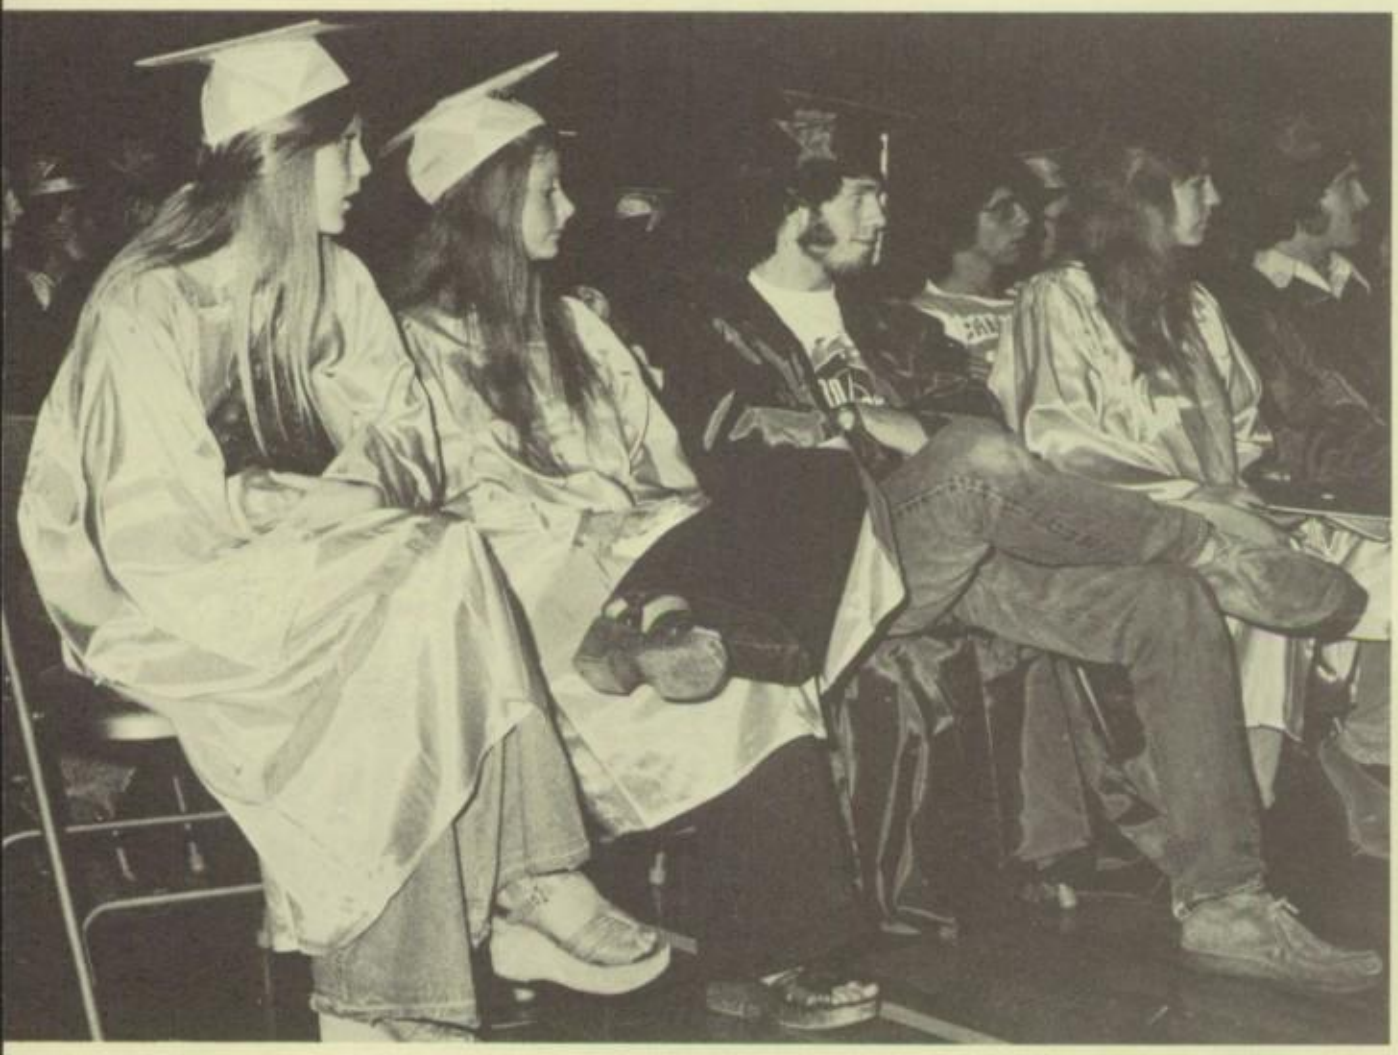
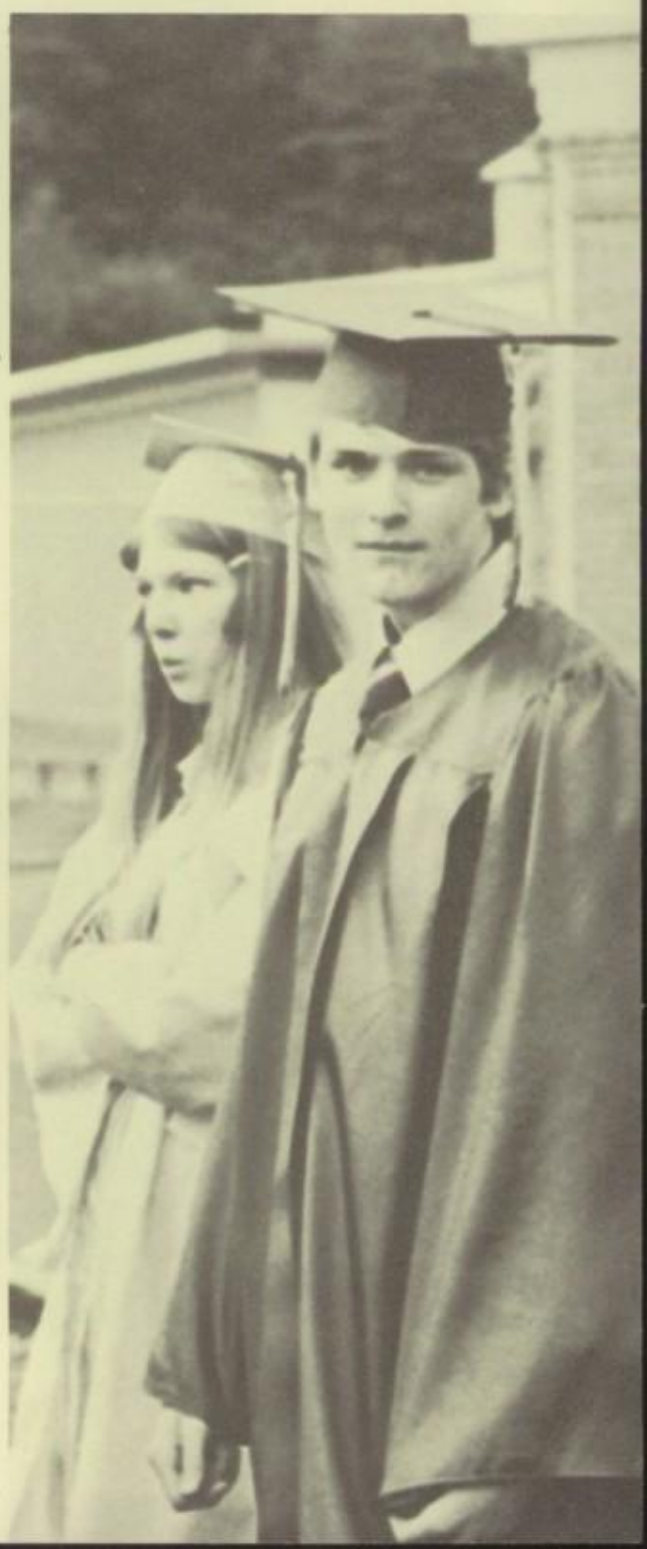
The 76er's March

The class of 1976 marched onto the football field to the traditional "Pomp and Circumstance," played by the West Linn High Orchestra. The ceremony opened up with Ron Quint leading the flag salute and introducing class president Jeff Croy. Jeff greeted the seniors with a congratulations for making it through their twelve years. The ceremony went on with valedictorian Tim Delanty giving his speech on integraty. Other class speakers included David Dornblaser and Jeff Croy. Superintendent Tunnell gave a speech honoring the seniors for their fine work. This was Mr. Tunell's last graduation ceremony before he retires. There were twenty four honor graduates included in the two hundred and fifty two graduates in the class of 1976.







TOP RIGHT: Tim Delanty shows his true feelings at having to leave good ole' West Linn High. CENTER: Seniors Karen Heppner, Molly Hill, Jeff Hinkle, Donna Holcomb and Brian Holman listen to instructions of proper commencement procedures. RIGHT: Robert Hostager looks to the photographer for an answer while Kathy Holder looks bored with the whole situation.

TOP LEFT: Senior girls Eileen Brzycki, Sally Boyle, Heidi Brandenburg and Barbara Boettcher patiently wait for the graduation ceremony to begin. BELOW: Seniors Don Esau, Jay Eisele, Alan Ferguson, Barbie Falconer and Kara Fesler march onto the field with looks of dismay. BOTTOM: Graduates gather together before the ceremony begins.

Honor Students Strive

The Honor Graduates strived hard to meet the strict requirements for the special title of Honor Graduate. Twenty-four seniors met a high G.P.A. of 3.5 and ranked in the top 10% of their class while taking two of the following courses: Advanced Placement English, Math Analysis, Physics and or, one of the following combinations: Economics and Sociology or Economics and Political Science or Sociology and Political Science.

Bob Bruechert was the only student from West Linn to become a National Merit Finalist. Bob's high scores on the national P.S.A.T. Test brought him this much-deserved honor.

Scholars Banquet Successful

The Scholars Banquet was held Tuesday, May 25, in the cafeteria. The Banquet was held to recognize the graduating seniors who have earned the title of Honor Graduate. Twenty-four seniors were honored with the title by successfully completing a specified course of study, and meeting certain other requirements.

Dr. William Boyd, president of the University of Oregon, was the guest speaker. The junior and sophomore girls from the Honor Society Club were present to serve the punch and dinner. The Banquet was sponsored by the Lions Club, and a roast beef dinner was served. Approximately 200 people were present for the event.

The occasion was also used to install the 1976-'77, student body officers.

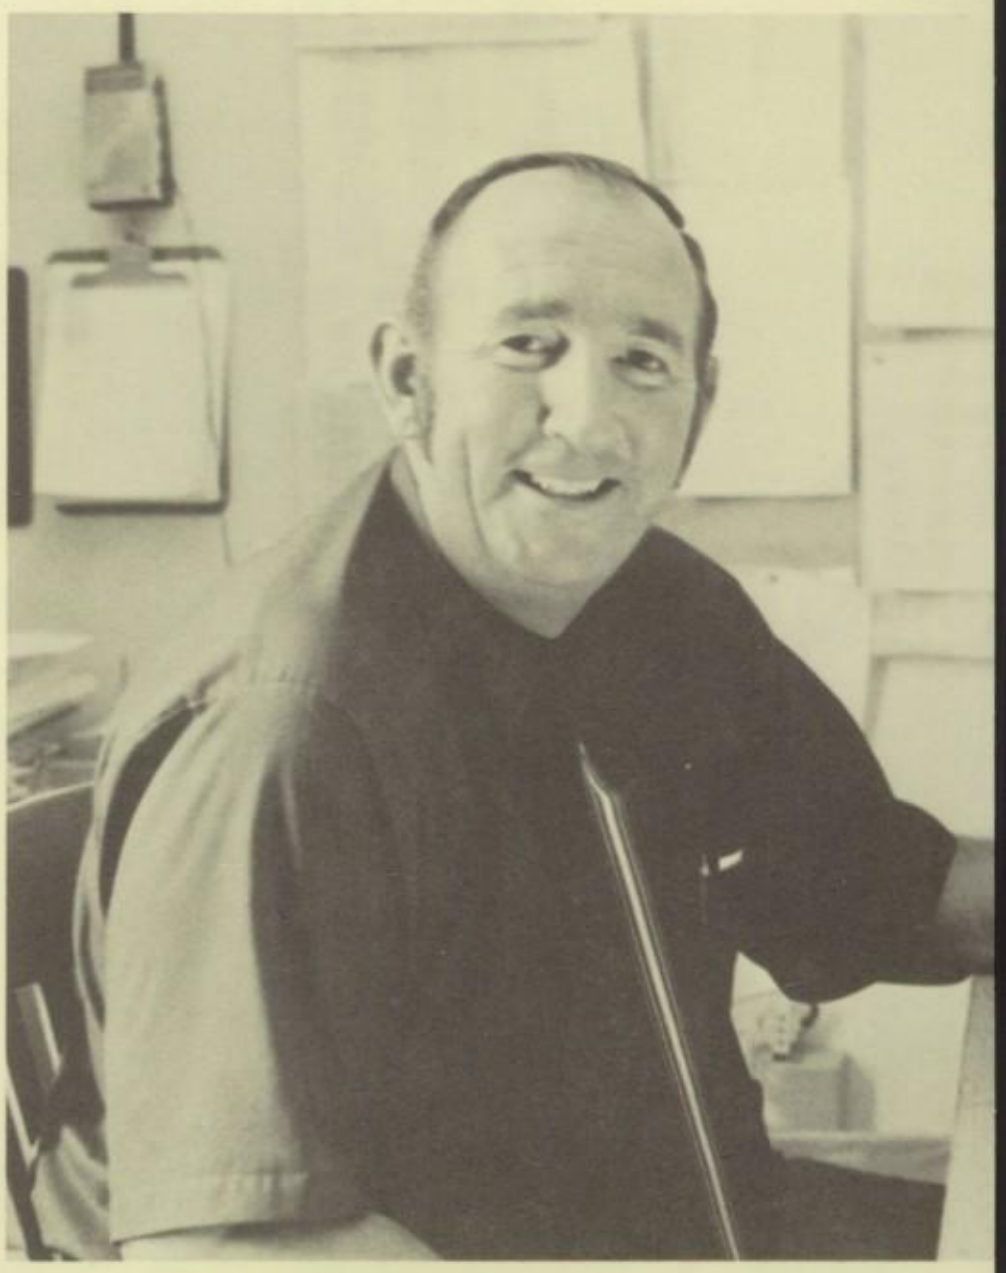
Administration Makes Strides

The administration made several large strides to improve West Linn High School. They set two major goals for themselves and accomplished both of them. The first was changing the graduation requirements, which were based on the students' credits and attendance. They added a competency requirement effective for the class of 1978. The competency requirement involves "possession of skills, knowledge and understanding, to the degree that they can be demonstrated."

The second goal attained was the establishment of the teacher-advisory program. Students now have a teacher to turn to for assistance. Mr. Hibbard stated, "As time passes the desirability and necessity for the T.A. program grows, and it becomes evident to more people."



TOP: Administrative vice-principal Dan Rollins turns to say "have a nice day." ABOVE: Principal Larry Hibbard takes a moment from his busy schedule to have his picture taken. RIGHT: Curriculum vice-principal Ernest Gettel flashes his winning smile.

Staff Increases by 12

Adding 12 new teachers to the staff brought the total to 75 dedicated and energetic teachers. A nurse was also added. She took care of many things, such as screening for vision and communicable diseases.

Some teachers changed rooms in an attempt to organize subjects into general areas of the building. Social studies classes were moved closer to the library, and math classes moved to the old building.

A Teacher-Advisory period was added to the day between first and second periods. School business, scheduling, and various problems were taken care of during TA.

One noticeable improvement was student-teacher involvement. In pep assemblies and other activities, the teachers participated in the competition with students. Students got to know teachers better through this type of activity. One common bond was felt by everyone: we were all a part of West Linn High School, and we could make it the best school around.

The cooks were faced with a difficult task: to prepare delicious, nutritious, inexpensive lunches. The custodians were hard pressed to keep the school clean and in good working order. Problem areas included wiping graffitti off bathroom walls and fixing broken lockers. Zola played an important role in keeping our sports uniforms clean, while the secretaries worked to make their respective departments run smoothly. These efforts were appreciated by all.

Student Body Officers Strive for Involvement

The student body officers strived for student interest and involvement. They sponsored many activities including the powderpuff assembly, football and basketball homecoming, slave day, and the Christmas Ball.

The officers, as members of the Leadership class, serve as the backbone of student government. Under the direction of the officers several constitutional changes were made, including the mandatory petition for all students wishing to run for any class office.

Exchange Students Leave

The exchange students found life at West Linn difficult. Two of the four exchange students returned home or moved out of the district before their term was completed. Yumi Fujikawa from Japan and Sudaporn Suttisomboon from Thailand found many barriers and differences.

Durval Rosa from Brazil and Felice Sedlacek from New Jersey found their stay at West Linn to be growing experiences. Felice served as the Lion mascot at athletic events, while Durval tried his hand at snow skiing.

There were also numerous students involved in short-term exchange programs. Several students came to West Linn, and many West Linn students traveled to other parts of the state and country.

Debutantes Dazzle Everyone

With the help of Mrs. Sheri Bocci and Mr. John Welty, the Debutantes put on many fine performances. They danced during football and basketball halftimes, plus performing in several competitive events. They placed 5th in the OHSDDA competition leading to the state dance-drill competition at Portland State. Their most exciting event was entertaining at the coliseum during the state basketball tournament. They put in many hard hours of practice to maintain the excellent performances they have been known for.

Rally: R-O-W-D-I-E

ROWDIE. That's the way we describe this year's spirit, which was propelled by our rally squads. The rallies did a lot to promote spirit: they painted signs, sold ribbons and suckers, and sponsored contests for Mr. Touchdown and Mr. Dribble. They spent many hours planning pep assemblies and new skits with the help of their new advisor, Marcy Gano.

Another "new" happening was the introduction of two J. V. rallies instead of the traditional one.

The Fall Rally not only cheered on our football team, but attended all wrestling matches. The Winter Rally started the year off by cheering on our cross country team. They ended the year by leading our number-one ranked basketball team through state competition. A sportsmanship judge from Grant High School really "said it all" when he stated that, "Of all the rally girls at the state basketball tournament, West Linn's rally was the best IN EVERY WAY." Right on!

The Beat Goes on: Bands, Orchestra Perform

The concert band, consisting of 64 members, had a very busy year. Under the direction of Don Nelson, the band entertained many people. The first three months of the year were spent in presenting the half-time shows at the football games. Later, the band performed in the Winter Concert, and in April gave an excellent program in the Spring Concert. During the annual Pops Concert, held March 3rd., the band played six songs and gave an evening of good entertainment. In April the band traveled to Mt. Hood Community College for the Wilco League Band Festival, and they did well.

TOP: Cherie Olsen and Jeremy lead the Stage Band during the Pops Concert. RIGHT: The concert band entertains the crowd with good music.

The Stage Band had a very full year and put much enthusiasm into their music. One activity was the participation in the mini-concerts at noon. The Wilco League Stage Band Festival was held at The Dalles, and the band did very well. They also participated in the Pops Concert and performed many good jazz songs. The Stage Band traveled to C.C.C. for a jazz festival and did great. They also went to the University of Portland Jazz Festival and competed against 12 other schools. The band spent many hours preparing for the State Basketball Tournament and was so dedicated that at one game they were the only band to represent a school. The Stage Band performed at many other organizations and concerts and always left the audience feeling truly entertained.

The Concert Orchestra, under the direction of Tony Hess, improved greatly. The Orchestra played in the Christmas Concert, the Winter Concert, and the Spring Concert. A joint orchestra concert was started up again with Oregon City, after stopping for a few years. The concert was held at Oregon City, with West Linn doing a fine job. The orchestra put much time in their music, and proved this through their performances.

Music Groups Lift Happy Voices

The Concert Choir grew to a total of 56 members. A new director, Gene Hardin, was also added. The choir had a busy year: They presented mini-concerts to the student body at noon in the main hall, and gave two Christmas concerts, one for the student body and one in the evening for the community. Also during the Christmas season, the choir sang "The Creation" at many clubs in the area. In April the choir participated in the Wilco League Choir Festival and did extremely well. A spring concert was given in April and the spring season was brought in with Easter songs. On Easter morning, the choir sang in a 1,000 voice choir for the sunrise service at Memorial Coliseum.

The Concert Choir worked very hard and proved this with their fantastic performances.

The Modern Music Masters, an honor society for music students, helped with the Pops Concert and sponsored various activities, one of which was a money-making project to purchase sound equipment for the Swing Choir.

Mixed Chorus
Swing Choir

The Mixed Chorus, which consisted of 30 members, showed much enthusiasm and talent. They performed at the Christmas Concert and in many mini-concerts. The mixed Chorus presented the Winter Concert and sang seven songs. They worked hard and proved this through their music.

The Swing Choir contained 24 energetic members. The group specialized in jazz music, most of it arranged by Chris Hardin, Mr. Hardin's son. In November, the choir went to Willamette University for a contest and received a high rating. During Christmas they gave many performances at clubs and banquets. They also sang in the Christmas Concert. In March they went to Portland State for a contest, where they earned the highest rating. In April the Choir traveled to Pasco, Washington for the Jazz Unlimited Festival. Choirs from all over the Pacific Northwest were there. The Swing Choir did extremely well and brought home much deserved honors.

Ski Club

Ecology Club

Fun. Involvement. These are words that aptly describe what happened in Ski Club. The club members elected to ski each Saturday during January and February. The club enabled its members to have organized and chaperoned transportation to and from Mt. Hood, which really made the winter months fly by.

Although the Ecology Club was inactive most of the year, they got it together in the spring.

They organized a glass recycling program for the community to begin in the fall. They also planned Earth Week activites related to Oregon's rivers and waterways.

Inter Club Council

Intramural Basketball

Inter Club Council, consisting of all club presidents and under the direction of advisor Joe Vanni, helped plan and coordinate all activities for the many clubs at West Linn High. I.C.C. also examined all club charters, planned the new Intramural Basketball Association, complete with schedule, and many other things throughout the year.

This year I.C.C. Basketball changed its name to Intramural Basketball Association.

Divided into two divisions of five teams each, a total of ninety students met every Monday night during the winter sports season. At the end of the season the winner of each division met in a championship game. The championship game was between the Nuggets and the Celtics. After two overtime periods, the Nuggets came out victorious. It was a good ending for I.B.A., which provided organized recreation for students not participating in a competitive school sport.

Scuba/IRC Club

The purpose of the Scuba Club was to advance sport diving to a high school level. The club, though small in number, promoted supervised methods of underwater sports. This year the group enjoyed dives in the Tillamook Bay and the Clackamas River.

International Relations Club is an umbrella organization of the three foreign languages offered at West Linn- French, German, and Spanish, plus all the exchange programs. The group was the most active during first semester, especially with A.F.S. Day when they hosted exchange students, and held a reception for them before school that day. Other activities included a progressive dinner honoring exchange students, three short term exchanges, a summer foreign exchange for Brent Daniels, and fund-raising projects to help finance the various exchanges.

Fire Squad/FFA

The purpose of the Fire Squad is to aid in getting students safely out of the school building in the event of emergency situations and fire drills. The squad of nearly forty guys report to their stations throughout the school, aiming to be prepared and knowledgeable whenever the fire bell clangs through West Linn's halls.

Future Farmers of America is an organization made up of students interested in any phase of agriculture. They participate in various activities such as horticulture, forestry techniques, parlimentary procedures, public speaking, soil judging, and fair exhibition. The group was proud to be awarded first in state for their horticulture team, and the forestry team placed third. Overall, F.F.A. members consider this a successful year of learning and competition.

ROW THREE: Jim Neely, Scott Burgess, Jim Stone, Mark Klein, Gilbert Weber, Mark Stetzel, Mr. Sid Miles.

FBLA/DECA

The Future Business Leaders of America is made up of a group of students who have a common interest in office work. The club helps students with skills such as typing, shorthand, and the operation of machines, which can be put to use during high school. After school, these skills may be put to use to get a good job. The FBLA fund raising project included a candy cane sale in December.

The Distributive Educational Clubs of America, known as DECA, is made up of a group of students who are enrolled in a sales or marketing class. The projects that the members of DECA did were a part of their class work. Special sales and marketing techniques are dealt with in their projects, which proved to be good learning experiences. DECA's various projects helped add fun and LIVELINESS TO WEST LINN HIGH SCHOOL.

FRONT ROW: Katie Koppler, Leslie Graham, Karen Fritchie, Kris Simonsen, Sally Martin. SECOND ROW: Advisor-Mr. Schumacher, Mark Groves, Donna Cameron, Amy Cardiff, Sheila Bell, Kristi McEwen, Dal Smith. BACK ROW: Frank Anderson, Becky Schumacher, Donna Holcomb, Skip Doty, Peggy Huddleston.

Hi-Q /Honor Society

Hi-Q is still alive and well at West Linn High School. Although they had no matches with other schools, the team actively competed among themselves. The squad met twice a week before school, having fun while they learned more fascinating trivia. The club's advisor, Mrs. Swank, had questions for the members that she uses as her resource material. Like the past television game show, High-Q, two teams use their quick reflexes to hit the table when they know an answer to the given question.

FRONT ROW: Mike Woodard, Tracy Cochran, Rob Larson. BACK ROW: Bob Bruechert, Robert Hostager, Mark Schleiss, Mark Koozer.

Honor Society is made up of students who have interests in at least two other clubs, and who maintain a high academic status. Mrs. Swank was the advisor, and Tim Delanty was the president of the Honor Society. This year, the club welcomed new members by having a welcome-initiation dessert at the school in the early fall. This group sponsored Teacher-turn-about day.

FRONT ROW: Teresa McIntosh, Kim Sharp, Sally Hill, Lori Sheldon, Karen Zauner, Betsy Kincart, Lori Alzner. VICA and South Carolina Delegate

VICA Club constructed a project of which they are very proud, a go-cart. The club entered the skills contest at Linn Benton Community College and the Camby Bicentennial parade. Jeff Hunt took third place in Fundamentals of Drafting and Eric Timberlake placed fifth in Engineering Drafting.

Representing the political ideas of Democrats who live in South Carolina, our delegation was one of the 10 most active on the National Platform Committee. Several delegates were appointed to national positions of the Democratic Party. The work of our delegates culminated with the West Coast Mock Democratic Convention, where Jimmy Carter appeared.

Forensics and Thespians

Forensics Club is made up of members of the speech department. West Linn placed second overall at the league tournament. The team worked hard on conducting a Bicentennial Debate, storytelling at the grade schools, and a number of community speaking engagements.

Thespian membership increased from 9 to 36. The major event of the first semester was the initiation of 27 new Thespians. The second semester ended with the annual awards picnic where members voted for the year's outstanding achievements.

Amplifier Produces

Under the leadership of co-editors Cory Anicker and Eric Bartels, the Amplifier underwent several changes.

One of the most beneficial changes made was the addition of informative articles by Barbie Falconer dealing with birth control, teen-age alcoholism, drugs and other teen-age concerns.

New additions to the Amplifier included Grei-Lines, Wheel Whirl, Athlete of the Month, and the Amplifier trophy for the athlete of the month. The new columns helped the staff reach more student interest areas.

Their job was not easy, but the staff produced an interesting paper bi-monthly, fulfilling the staff's goal to serve as a student voice, make the paper informative and a source of enjoyment and entertainment, and learn.

Photography Staff Clicks

The production of this book could not have been possible without the help of Darrell Greenlee's photography class. The photography staff worked in conjunction with the yearbook department by shooting and printing almost all of the pictures in this book. We feel they have done an excellent job, donating many hours after class to help us meet our deadlines. The photography staff is highly skilled and are almost always very reliable. A definite improvement was noted over last year, not only in the speedy returning of pictures, but also in the quality of contact sheets and pictures. Their efforts are sincerely appreciated by the entire yearbook staff.

Photography Staff: Jeff Hunt, Ron Miller, John Falconer, Robert Hostager, Rick Petit, Steve Ross, Doug Ware, Mike Delp, Tim Porter, Mike Cookingham and Eric Holstrom, watch photography teacher Darrell Greenlee as he demonstrates how to take a picture of a group of unwilling participants. Yearbook Staff Procrastinates

First period was sure to be hectic each day. There were constant deadlines to meet, pictures to be taken, copy to be written, advertising to be sold, ad infinitum. In spite of constant harrassment by both Mrs. Benson and editor Lori Bidgood, some students still failed to meet their deadlines. Other staff members, however, picked up the slack and did far more than their share. When asked to comment on the staff, Mrs. Benson replied, "They are a strange mixture of sweethearts and turkeys." It's been a long year.....

Is there life after high school?

"Congratulations," they said. "This isn't the end...it's just the beginning." They've said it a thousand times at a thousand graduations. While many young people just like you sat there thinking, "Where do I go from here?"

Where *do* you go for challenge? And opportunity?

Go Navy.

If you qualify, you'll get some of the best training available in highly skilled job fields. From missile technician to nuclear propulsion.

And you'll live a little, too. Travel. Work hard. Even swab some decks.

A good job. And a good life. The Navy: It's a good deal.
